Hawk Roundtable - December 9 @ 7 pm
School Security Enhancements
What are They and What Do They Mean in the Daily Operations of Our Schools

The District will begin its Hawk Roundtable offerings by focusing on the #1 priority in our schools, that being the *Safety of our Students and Staff*. We invite district parents to attend this informational meeting that will step you through the district's safety commitment, along with its recent enhancements. Administration, staff, and law enforcement will review our safety infrastructure, while providing for the opportunity for discussion and questions. This roundtable will be limited to 75 minutes so as to respect everyone's time and responsibilities, particularly during this very busy time of the year. This is a **PARENT ONLY** event.
