Art with a Twist

In this club, we'll combine the world of art with the wonders of science. From brushes to circuits to nature, you'll explore innovative ways to create art. Build your very own spin art machine, experiment with fizzing paint, craft vibrant masterpieces using natural pigments, and trick your brain with unbelievable optical illusions. Whether you're a budding artist or future scientist, this club has something for everyone!

ABOUT MALLON PLANETARIUM

The Mallon Planetarium is located inside Arcola Intermediate School in the Methacton School District.

Built in 1974, the planetarium has continuously provided unique learning experiences for all Methacton students. The planetarium provides co-curricular, extracurricular, and community opportunities for all lifelong learners.

SCHEDULE AN ASTRONOMY LESSON

The Mallon Planetarium offers lessons to Methacton School District classes, outside district school classes, and non-profit community groups. Lessons can be scheduled in our planetarium, in an Arcola building classroom, or just about any location in, and around, Methacton School District. We also offer virtual presentations for groups that meet online.

For more information on scheduling your group's lesson, please email Methacton School District's Planetarium Director, Adam Chantry, at AChantry@methacton.org.

Reiki is a powerful form of energy healing used to reduce stress, improve health and quality of life, and support physical and emotional healing. It activates the nervous system to heal body and mind by way of the relaxation response.

Reiki is accessible to everyone and is easy to learn. Practitioners use specific hand positions, held for a few minutes near or on the client's clothed body.

After receiving the Reiki 1 certificate, participants will be able to perform self-treatments and provide treatments for others. Reiki providers do not practice it professionally until they have received the second degree.

Course Topics Include:

- History, Principles, and Elements of Reiki
- Energy Attunement
- Hand Positions for Self-Treatments and Treatments of Others
- Japanese Techniques
- Lecture and Experiential Practice
