Addendum No. 1

The following response addresses question(s) submitted by vendor(s) on November 21, 2025; responses to the question(s) are indicated in **bold**. If you feel that a question has not been addressed, please contact Reed Beebe at purchasing@smsd.org as soon as possible.

1. Our firm handles all the insurance currently listed in Attachment C except the Excess Workers Compensation and related TPA Services. Our question is: Will the awarded Broker be asked to handle the placement, risk management and TPA Services of the Workers Compensation insurance?

   While the District has an interest in selecting one vendor to provide all insurance coverages listed in Attachment C, including Excess Workers Compensation and related TPA Services, the District is willing to consider making a multiple vendor award, with some vendors asked to provide select coverages not addressed by other selected vendors, if it is in the District's interest to make such a multiple vendor award.
