### AASD Annual Nutrition Report 2024-25

#### WHY is this important?

Per our *School Wellness Policy 458*, each site will need to complete an assessment tool (Action for Healthy Kids) based on the School Health Index (SHI). The purpose of the assessment is for schools to identify the strengths and weaknesses of their health and safety policies and programs and develop action plans for improving student health.

Overall Score		
Accountability Ratings	Score

Ronald C. Dunlap Elementary School	87.25	Excellent
Stephen Foster Elementary Charter School	98.04	Excellent
Wilson Middle School/Magellan Magnet School	73.42	Good
District Average Score	92.87	Excellent

#### WHAT is the report?

The Action for Healthy Kids Wellness Assessment examined nine (9) aspects of the school wellness environment:

1. School Health & Environment
2. Nutrition Environment
3. Health Education
4. PE & Physical Activity
5. Social & Emotional Climate
6. School Health Services
7. Staff Wellness
8. Family Involvement
9. Community Involvement

The report compared AFHK schools in the district and state and identified opportunities for growth. The SHI score indicates if a school provides an environment where students are healthy, active and ready to learn.

#### HOW will the report support student success?

Promoting healthy and safe behaviors among students provides young people with the knowledge and skills needed to become healthy and productive adults. Improving student health and safety can increase students' capacity to learn, reduce absenteeism and improve physical fitness and mental alertness.

**SUMMARY:** AASD's school health index rating is excellent. The district exceeds the state in 9 of 9 SHI categories. The district's overall score increased by 6.08% from 86.79% in 2023-24 to 92.87% in 2024-25.

Appleton Area School District	Score	Status
ELEMENTARY SCHOOLS	94.14%	Excellent
