**Present community observers:** No community members attended

**Minutes**

Kristina Ford, Director of Counseling and Student Services, called the meeting to order at 5:30 PM.

Membership is now a one-year term. This allows for more community members to participate over the years. Members did self-introductions.

The committee reviewed the legal and local policies related to SHAC and reviewed the goals of the council for the last three school years. Committee members were asked to identify their top three topics for the council to possibly work on for the 2025-26 school year. Mrs. Ford will sort the ideas into themes for the committee to address at the November 2025 meeting.

Amy Killgore, CCISD Prevention Specialist, highlighted how CCISD is celebrating Red Ribbon Week at the elementary and secondary levels. Additionally, she shared information about fentanyl awareness happening on the campuses. She also briefly discussed how campuses are addressing mental health awareness and suicide prevention and partnering with organizations to assist students in a mental health crisis.

Kristen Marquardt, CCISD Lead Nurse, made a brief presentation about required parental consent for discussions about human sexuality and human growth and development. The presentation was to make parents aware that CCISD complies by asking parents/guardians to consent to human growth and development instruction as required in the Health TEKS for elementary and secondary students.

Mrs. Ford took nominations for the position of Parent Co-Chair for SHAC. Dr. Bryan Schneider moved to nominate Mr. Edward Wells to be the SHAC Co-Chair. The motion was seconded by Dr. Jacklin Tawadrous. Motion passed unanimously.

Mrs. Ford adjourned the meeting at 6:41 PM

**Next Meeting: November 19, 2025**
