Public Notice to Contractors to be Included on the District's List of Qualified Contractors
Saratoga Union School District

The Saratoga Union School District has elected to become subject to the California Uniform Public Construction Cost Accounting Procedures. All licensed contractors are invited to submit information for inclusion on the District's list of qualified bidders for Calendar Year 2026.

The California Uniform Public Construction Cost Accounting Commission is under the umbrella of the California Uniform Public Construction Cost Accounting Act (CUPCCAA) and provides for alternative bidding procedures when an agency performs public project work by contract.

- Public projects of $75,000 or less may be performed by negotiated contract or by purchase order (PCC22032 a)
- Public projects of $220,000 or less may be let to contract by the informal bidding procedures (PCC22032 b)
- Public projects of more than $220,000 shall be let to contract by formal bidding procedures (PCC22032 c)

Contractors interested in placement on the 2026 Bidding Contractors List are required to be registered with the State of California Department of Industrial Relations and have a current license, both of which are subject to verification through the State of California Department of Industrial Relations and the Contractors State License Board.

This notice requires contractors to provide the following information. Registration forms are available at the District's website at www.saratogausd.org.

- Company name
- Contact name and mailing address
- Contact phone number, fax number and email address
- Type of work contractor is interested in performing
- Type of work contractor is licensed to perform
- Contractor's license class, number and expiration date(s)

This announcement is sent to various trade journals for publication as a requirement of CUPCCAA to establish and maintain a list of qualified contractors per the applicable sections of the Public Contract Code. This invitation is subject to any and all applicable laws, regulations and standards.
