Expect breakfast to go like hotcakes on Tuesday as Discovery Middle School's eighth grade teachers serve up a pancake breakfast. Each of the school's more than 300 eighth graders are invited to enjoy the fried batter breakfast in a memorable tradition that brings the students and their teachers together as a unit.

The pancake breakfast is an opportunity for students and staff from each of Discovery's three eighth grade teams to hang out and have fun together and create memories that will last long after their time at Discovery. Each team will host a separate pancake breakfast in their own team center as they bond over a delicious breakfast cooked especially for them by their teachers.

Food for the pancake breakfast is donated by parents and staff members.
