TIPS & TRICKS

LEARNING THROUGH PLAY

- The holiday season is the perfect time to mix fun and learning! Simple games can help kids keep skills sharp while school's out.
- Card games build math and memory skills, while word games boost vocabulary and critical thinking.

Learning Should Be Personal.

REVIEWS FROM PARENTS

My son has been attending RRTKD for over 3 years and it has allowed him to grow in self confidence personal discipline. Master Jim is an fantastic teacher who always has a great positive attitude and keeps the students engaged.

Grant

This has been one of the best investments I have ever made in my kids lives.

Joseph

We love RRTKD and have enjoyed watching our kids mature in their personal discipline, strength and poise, as well as in their TKD rankings. Master Jim is an incredible teacher and mentor to his students, and I recommend RRTKD to all families who are looking to engage in an activity that is enriching for the body, mind and soul.

Jenny

Master Jim is excellent with kids and adults alike. The gym has bathrooms and changing rooms. There are chairs for parents to watch practice. Classes are inclusive and well-staffed. The discipline is friendly, and the program is somewhat self-paced. It's a wonderful gym for beginners or experienced athletes.

Samantha

We have had amazing experiences at Red River Traditional TaekwonDo. Master Jim is phenomenal working with the students. He clearly cares about them and has high expectations.

My kids developed their physical strength and their confidence.
