Student Drop-Off

When dropping off your children in the circle drives please pull as far forward as possible!

This will allow more vehicles into the circles and prevent traffic from backing up on Felker Avenue & 17th Street.

For safety please have your children exit the vehicle on the passenger side.

Finally, there is no parking in the circle drive! Unattended vehicles are subject to ticketing from the police. Also, if you are getting out of your vehicle and helping your child out of the vehicle, please park in the parking lot not in the circle drive. This causes the traffic to back up and it is not safe. Thank you for helping keep our kiddos safe!

Winter Reminders

This is the time for the yearly reminder to students and parents that we will be going outside for recess unless the temperature or the wind chill is below zero. Therefore, it is imperative that children dress appropriately for the weather. Hats, gloves, boots, snow pants, winter jackets! All children are expected to go outside for recess. Parents, please check the forecast and check with your child before they leave for school to see they are properly dressed for the weather.
