Connecting Kids to Wi-Fi

Connecting Kids Nevada is a new program to connect students with technology. Visit connectingkidsnv.org to learn more about how families can obtain internet connectivity and technology assistance. A Family Support Center has also been created to assist Nevadans. Families can call **888-616-2476** and talk to a representative in English or Spanish.

Getting free Wi-Fi call this phone number: **888-616-2476 (Cox Communication)**

When you call the above number, they will ask questions to find out if the family meets eligibility (for parents, students, and teachers)

Cox Communication Wifi – only if eligible (Snap, Wix, Tans, free and reduced lunch, energy assistance, and families that live in public housing like Section 8)
It is for school related learning only (there are filters in place to make sure that this condition is met)
*Speed: 25 MBPS download capability and they provide 3 MBP for upload speed. Again, content filtered. Parental controls – no web surfing for nonacademic sites
*You can call Mon. - Sat. 7:00-6:00; this service is provided through June 30th, 2021

Wi-Fi Partners: CCSD has established Wi-Fi Partners and created a Free Wi-Fi Directory for students. This online directory provides a list and interactive map of free Wi-Fi hotspots available for student use, sponsored by organizations and businesses in the Greater Las Vegas area.

Food Needs

Serving our Kids Foundation

Serving Our Kids' mission is to serve homeless, at-risk and food insecure school children in grades K-8 throughout Southern Nevada. Serving Our Kids provides weekend meal bags to support children who rely on school meals during the week - the weekend meal bags are provided to school kids during the weekends and during holiday breaks when school is not in session. - THIS IS A **REFERRAL** MADE BY THE TEACHER, COUNSELOR, OR **ADMINISTRATION.**

****If your family is food insecure, please contact your teacher or school.**

Family Guide

Important information for parents/guardians on the Clark County School District Reopening Plan in a full-time distance education model.

Reconnecting with Our Students

The Clark County School District (CCSD) has launched a website and created a Family Guide to help our students and their families prepare for full-time distance education.

The website reconnect.ccsd.net was created to provide information and resources for parents and students preparing for the 2020-2021 school year. Parents/guardians can find information about distance education, registration, food service, access to technology, Canvas, and a variety of other resources.

The website is also available in Spanish at reconecta.ccsd.net.

The Family Guide is available to download on either site in English and Spanish and will be updated regularly.

Thank you for helping us spread the word about this important initiative!
