ASVAB and Pre ACT Testing

The ASVAB (Armed Services Vocational Aptitude Battery) is a standardized assessment designed to identify individual strengths and aptitudes in areas such as science, mathematics, and language. This test will be administered on November 14th in Room 3503 at 7:30 a.m. Participants are required to bring their fully charged school-issued Chromebook to complete this online assessment. The average duration of the ASVAB is approximately 90 minutes. This career exploration test is open to all students in grades 10 through 12 and serves as a pivotal step for those considering enlistment in the military. There is no fee associated with the ASVAB exam. Interested students should register using this [link](#). Please note that the registration deadline is November 7th. For additional information, please contact the school counseling office.

On February 24, 2026, all juniors at Big Walnut will have the opportunity to take the ACT (online version) at no cost. To help students prepare for this assessment, we are offering the Pre-ACT (a practice version of the ACT) to any interested sophomores or juniors. Those wishing to participate in this optional practice test must register by November 5, 2025. The fee for the PreACT is \$19, which will be charged to student accounts after the test is administered. Students who qualify for testing accommodations will complete the PreACT under standard testing conditions; however, all necessary accommodations will be provided for juniors taking the ACT on February 25, 2026. Please complete the registration [link](#) below if interested in taking this practice test.

Hunger Games

Big Walnut Local Schools (BWLS) will once again participate in the Delaware County "Hunger Games" initiative, aimed at providing families in need with the essentials for a complete Thanksgiving dinner. Each of our schools will be tasked with collecting canned green beans and/or corn, which will be utilized in assembling meal kits for families throughout Delaware County. The collection period will begin on Monday, November 3rd, and conclude on Friday, November 14th. Please refer to the flyer below for additional details, including a sign up [link](#).
