Dear Pirates:

I hope this message finds you and your family in good spirits and good health. We have now completed our second week of e-learning, and we have all had an opportunity to navigate our new routines, procedures and responsibilities. No doubt, each of us has experienced challenges over the last few weeks, but it is also important to step back and reflect on your successes, too. Situations like this call on all of us to rely on our growth mindset.

When we approach challenges with a growth mindset, it is important to keep in mind the Power of Yet. You may not have mastered all of the instructional strategies to engage students ... yet. You may not have developed efficient systems for tracking student learning ... yet. But with your continued focus on supporting our students, every day you will gain skill and comfort with this new style of teaching.

Non-Attendance Day on Friday, April 10

Please note that **Friday, April 10 remains a non-attendance day for students** on the school calendar. We will have no e-learning sessions on Friday, April 10 and our e-learning will resume on Monday, April 13.

Additionally, with the cancellation of this school year's state testing, all students will have **regular e-learning days on Tuesday, April 14 and Wednesday, April 15 in place of the state exams.**

In closing, I want to thank you for your continued support for all students during these unique times. I hope you are able to make the most of this three-day weekend to connect with your loved ones.

Be safe and stay strong,

Tony Medina
Principal
