Dear Parent/Guardian:

Next month, your child will participate in the Illinois Youth Survey (IYS). The IYS is administered every other year to students in grades 8, 10, and 12 across the State of Illinois to gather data about:

- Alcohol, tobacco, and other drug use
- Beliefs about drug use
- Health and nutritional behaviors
- Feelings about school
- Family support and rules about alcohol use

Palatine High School has used this survey for multiple years to better understand our students' needs as we strive to develop specific supports and resources to assist students and their families. Your child will complete the IYS during the school day on January 10, and it will take approximately 45 minutes to finish.

Students' survey responses are completely confidential. No personally identifying information is collected. Specific survey questions, by topic, are available in Palatine High School's main office for your review. If you prefer that your child be excluded from the 2020 IYS, please complete the tear-off form located at the lower edge of this letter, and have your child return it to the school's main office by January 8.

Please contact Guidance Department Chair Nicole Capalbo, who is coordinating the IYS at Palatine High School, at 847-755-1651, if you have any questions about the 2020 IYS.

Sincerely,

Tony Medina
Principal
