

**August 26-28, 2022**

**Multi Year PHS Reunion Party**

The Palatine High School Class of 1972 is inviting multi-year graduates to our 50-year reunion party. The Class of 1972 is having our get together during and in conjunction with Palatine Street Festival 2022. We are inviting the Classes of 1970, 71, 73, 74 & 75 to join us!

**The multi-year event will be on Saturday, August 27th, 2022.**

The planned sign up area will be at Durty Nellies, between 6:00-9:00 pm on August 27, 2022. Participants will receive a name badge with your name and graduation year on it. You will also receive color coordinated Mardi Gras beads. The color coordinated necklace will help you easily recognize fellow classmates from your class as you walk about town. There will be a whiteboard at Durty Nellies where you can post your name & class year. This will show your other classmates that are in town.

As part of Palatine Street Festival, The Village of Palatine is providing the venue, the food vendors, the entertainment, and the fun familiar locations in downtown Palatine to explore.

**We hope you can attend this event!**
