Cell Phone Policy Reminder

The BWLS District adopted the policy of removing cell phones from the classroom for all grades, Pre-K through 12. This decision applies to personal devices, not school-issued devices.

Students are not be permitted to use their cell phones during the school day from 7:30-2:10. Students are assigned Chromebooks that are used for daily classroom instruction (instead of phones). Please make sure student Chromebooks are fully charged each day in preparation for daily classroom use.

Parents: We appreciate your support of this policy. If students choose to carry cell phones to and from school, phones should not be visible and turned off during the school day. [Not seen - Not heard]
