Honoring Service, Celebrating Community Civics in Action Across Our Schools

Flags of Honor at Creekview Intermediate

Creekview Intermediate created a moving tribute for Veterans Day with its “Flags of Honor” display, led by Melissa Borjas. Flags filled the front lawn, each one representing a veteran connected to our school community. Families and visitors are welcome to stop by, reflect, and take part in honoring the heroes among us.

Mill Valley’s Veterans Day Breakfast

Mill Valley Elementary welcomed veterans and their families for a warm breakfast and heartfelt appreciation. Students and staff were proud to honor those who’ve served and thank them for their continued impact on our community.

Bunsold Middle School Honors Veterans

Bunsold Middle School hosted its annual Veterans Day Assembly to celebrate the courage and dedication of our military families. The event included performances from the band and choir, thoughtful student speeches, and special recognition for veterans in attendance. Thank you to everyone who joined us for this meaningful day.

Marysville High School Brings History to Life

Students from the Americans at War I class visited the Union County Historical Society to explore local military history. The hands-on trip gave students a deeper understanding of the service and sacrifice that shaped our region and our nation.
