16	PAY THE EMPLOYEES MORE. Considering the district is completely dependent on teachers, school nurses and office staff in each building they should be making at least enough to live in this area without having to go into major debt just to pay rent and put food on the table. There are teachers and nurses in the district working 2 and 3 jobs just to stay afloat. They only continue to teach because they love the kids and they want to help them. The behavior of the students needs to change and there needs to be real consequences. All reteaching does it make the students think they can get away with anything. Parents need to be held responsible for their students bad behavior.	3/27/2025 8:43 AM
