Order No. 18-003. First reading and refer to the Planning Board the proposed amendments to Chapter 405 – Town of Scarborough Zoning Ordinance, Section VIIC. Residential Density and Affordable Housing Provisions, sub-section B. Affordable Housing In Lieu Fee - (f). [Housing Alliance Committee] Councilor Rowan gave an overview on this Order.

Motion by Councilor Caterina, seconded by Councilor Foley, to move approval of the first reading and refer to the Planning Board the proposed amendments to Chapter 405 – Town of Scarborough Zoning Ordinance, Section VIIC. Residential Density and Affordable Housing Provisions, sub-section B. Affordable Housing In Lieu Fee - (f) and schedule a public hearing upon receipt of the recommendations of the Planning Board, as follows:

BE IT HEREBY ORDAINED by the Town Council of the Town of Scarborough, Maine, in Town Council assembled, that Chapter 405 - the Zoning Ordinance of the Town of Scarborough, Maine is amended as follows:

SECTION VIIC. RESIDENTIAL DENSITY AND AFFORDABLE HOUSING PROVISIONS
[06/06/2007][amended 11/06/2013]

B. AFFORDABLE HOUSING IN LIEU FEE [adopted 11/06/2013]

This mechanism enables developments in designated zoning districts to contain additional residential density if a fee is paid per additional dwelling unit to support the creation of affordable housing within the community. These provisions may only be applied to residential developments that require subdivision and/or site plan review by the Planning Board within zoning districts that explicitly allow for the affordable housing in-lieu fee.

The use of this mechanism requires Planning Board review and approval in accordance with the following provisions:

1. An application for use of the affordable housing in-lieu fee shall be submitted by the applicant as an element of their overall submission for subdivision and/or site plan review and approval. This submission shall include the number of additional dwelling units proposed utilizing the affordable housing in-lieu fee, the proposed dwelling unit types, and the overall residential density.
2. The payment of an in-lieu fee shall be required for each additional dwelling unit permitted through this provision, unless the zoning district in which the project is located allows for density to be determined on a bedroom and square footage basis in accordance with Section VII.C.(A) Residential Density. In these cases, the payment of a fraction of the fee shall be required for each unit in the same proportion as the density requirement for the type and size of the unit proposed (For example, a unit that is counted as half (0.5) a dwelling unit for density purposes required half (0.5) the fee amount as a full dwelling unit). The affordable housing in-lieu fee amount is listed in the Town of Scarborough Schedule of License, Permit and Application Fees (Chapter 311).
3. The total amount of the affordable housing in-lieu fees for the development may either be apportioned to each development phase for multi-phase projects or each dwelling unit or residential building lot within the development. In these cases the fees shall be paid prior to the commencement of construction of each phase of development or prior to the issuance of a building permit for each unit or lot. This schedule of payment shall be established as part of the Planning Board approval for the development

4. These fees shall be paid to the Town of Scarborough.
5. Affordable housing in-lieu fees collected by the Town shall be deposited into a specific account, segregated from the Town's general revenue, and created for supporting the creation of affordable housing with Scarborough. These funds shall be used in accordance with the following:
 - a. The funds contributed to the specific account, entitled the Affordable Housing Initiative Fund, shall be used to further the establishment of affordable housing within the Town. More specifically, these funds may be used for the land acquisition, infrastructure, and/or building construction costs of an affordable housing project.
 - b. A portion of these funds may also be used for administrative, legal, engineering or other costs related to the planning, design, permitting, and property acquisition for an affordable housing project.
 - c. A portion of these funds may also be used to establish a revolving loan program to provide direct financial assistance to qualified homebuyers with down payments and other financing needs for purchasing affordable housing units.
 - d. The Affordable Housing Trust Fund may be used in combination with other Town funds, and other private, non-profit, and government funding for establishing affordable housing within the community.
 - e. The in-lieu fees contributed by a development shall not be used by the same or other developments to fund the construction of affordable housing required to meet a residential density bonus for the creation of affordable housing.
 - f. The in-lieu fees collected by the Town shall not be utilized to fund affordable housing portions of a development which are otherwise required in order to meet minimum zoning standards for the inclusion of affordable housing.

Order No. 18-004. Act on the request from the Shellfish Commission to approve the Allocations of Shellfish Licenses for 2018. [Shellfish Conservation Commission] Councilor Hayes gave a brief overview on this Order.

The following individual spoke on this Order:

- Robert Willette, Chair of the Shellfish Commission, stated that the Commission voted unanimously to support keeping the shellfish license numbers the same. He went on to mention possible changes to the Ordinance that could be coming forward. He mentioned that there was Intern from UNE working on the Milky Ribbon Worm issue. He responded to questions from the Town Council relating to the survey issue.
- Dave Green of Beech Ridge Road addressed the comments made relating to apprentice licenses and the student program was intended to allow students to work while in school and then go out to the work force by getting a real job and not continue to dig clams. You need the survey and landing data before you can increase licenses.
- Ed Blanchard of Payne Road spoke on the survey issue. If need survey – then they need to be done after the summer. He felt that the crab issue needs to be address and not the survey. Three big predators' are sea gulls, milky ribbon worms and green crabs.

Motion by Councilor Babine, seconded by Councilor Caterina, to move approval on the request from the Shellfish Commission to approve the Allocations of Shellfish Licenses for 2018, as follows:

	<u>2017</u> <u>Allocations</u>	<u>2018</u> <u>Proposed Allocations</u>
• Resident Commercial License:	31	31
• Non – Resident Commercial Licenses:	4	4
• Over 60 Commercial Bushel Licenses:	2	2
• Resident Student Commercial License:	10	10
• Non- Resident Student Commercial License:	1	1
• Resident Recreational Licenses:	200	200
• Non- Resident Recreational License:	20	20
• Day Permits:	10 per day	10 per day
