RE: Amendments to Chapter 405, Zoning Ordinance: Definitions & Haigis Parkway District sections

At the April 6th meeting of the Long Range Planning Committee (LRPC), Planning and SEDCO staff presented the following proposed amendments to Chapter 405, Zoning Ordinance, for consideration. After deliberation the Committee favorably recommended the modification be presented to Town Council for further consideration and adoption.

SEDCO and Planning staff have been experiencing increased interest in the development of so called “flex-space” in town (uses which typically are classified as “Research, Development and Light Industrial”, “High Technology Facilities”, “Small Batch Processing Facilities”, and “Food Processing Facilities” in our Zoning Ordinance.) The projects are designed with a mix of areas including office, showroom or retail area, production or assembly area, and areas for the storage of materials and goods produced on-site. The space is often designed to be interchangeable between the activities (“flexible”) on an as needed basis. As point of reference the types of activities and commercial uses are similar to projects built along Mussey Rd. such as Creative Imaging and the “Siemens” buildings (64-68 Mussey Rd.).

In the Haigis Parkway (HP) District developers have asked questions about the ability of the users to store their materials and/or finished products on their site. The question pertains to existing ordinance language in the “Permitted Uses” provisions of the Haigis Parkway District. The provision in question is, *“10. Warehousing or wholesale distribution accessory to and located in the same building with a permitted principal use, provided that the floor area of the warehousing and/or wholesale distribution does not exceed 50% of the floor area of the principal use”* (underline added for emphasis).

The issue that staff has noted in discussion with potential developers in the Haigis Parkway District is what is meant by “warehousing” and the town’s established policy for considering the language. The interpretation results in limitations on storage of goods for users in the HP zone which is not otherwise required in any other districts. Basically if a company needed more than 50% of its space for storage of product or components associated with their business, then the use has not been allowed in the HP District. This is not the case for the other commercial districts such as B3.

Whereas warehousing and distribution are uses permitted in the Industrial District it would seem the principal rationale for permitting these uses only on a limited basis in the HP district would be to moderate the amount of truck traffic that is typically associated with the activities. However, as noted the language has had the impact of limiting users which might otherwise be considered consistent with the intended uses within the HP district.

As staff has explored the issue and relationship within the context of the Zoning Ordinance at large it has been noted that the town does not currently have a definition for “warehousing” or “distribution” which are permitted uses in the Industrial and Light Industrial districts. In considering the issue, staff and the LRPC determined that ancillary storage of goods and products related to permitted uses should be

treated equally in the HP. To address this issue it was identified that creating definitions of “warehousing” and “distribution” would provide greater clarity in terms of the use types that are already permitted in the town and to eliminate any potential conflicts or confusion between the differences of accessory storage and warehousing.

To address the issues identified above, Staff and LRPC offers the following amendments to the ordinance:

- 1) Delete from the Haigis Parkway District: ~~“10. Warehousing or wholesale distribution accessory to and located in the same building with a permitted principal use, provided that the floor area of the warehousing and/or wholesale distribution does not exceed 50% of the floor area of the principal use”.~~
- 2) Add definitions for “Warehouse” and “Distribution” that distinguishes accessory storage from warehousing.

Distribution:

A structure or building used primarily for the shipping, receiving and storing of finished goods and articles where goods are received and/or stored for delivery to the ultimate customer at remote locations.

Warehousing and Storage:

A structure or building where goods or materials are stored specifically for distribution to other sites or locations.

Chapter 405 – ZONING ORDINANCE

BE IT HEREBY ORDAINED by the Town Council of the Town of Scarborough, Maine, in Town Council assembled, that Chapter 405 - the Zoning Ordinance of the Town of Scarborough, Maine Section VI. Definitions, is amended as follows:

Distribution:

A structure or building used primarily for the shipping, receiving and storing of finished goods and articles where goods are received and/or stored for delivery to the ultimate customer at remote locations.

Warehousing and Storage:

A structure or building where goods or materials are stored specifically for distribution to other sites or locations.

BE IT HEREBY ORDAINED by the Town Council of the Town of Scarborough, Maine, in Town Council assembled, that Chapter 405 - the Zoning Ordinance of the Town of Scarborough, Maine Section XVIII.B. HAIGIS PARKWAY DISTRICT, HP, is amended as follows:

B. PERMITTED USES, CONVENTIONAL AND PLANNED DEVELOPMENTS NON-RESIDENTIAL USES

- ~~10. — Warehousing or wholesale distribution accessory to and located in the same building with a permitted principal use, provided that the floor area of the warehousing and/or wholesale distribution does not exceed 50% of the floor area of the principal use~~

**RE: Amendments to Chapter 405, Zoning Ordinance: Definitions & Haigis Parkway District sections
Supplemental Memo to the April 12, 2018 Memo**

This memorandum is to serve as supplemental information to the staff memo date April 12 which the Council received and consider at your April 18th meeting for the first reading of the proposed changes to the Zoning Ordinance for amendments to the Haigis Parkway District and Definitions sections.

Background of the proposed amendments:

In the Haigis Parkway (HP) District the current provisions are very prescriptive in terms of the ability of business to store their materials and/or finished products on their site. The issue pertains to existing ordinance language under the "Permitted Uses" provisions of the Haigis Parkway District. The provision in question is, *"10. Warehousing or wholesale distribution accessory to and located in the same building with a permitted principal use, provided that the floor area of the warehousing and/or wholesale distribution does not exceed 50% of the floor area of the principal use" (underline added for emphasis).*

The application of this provision results in limitations on storage of goods for businesses in the HP zone which is not otherwise required in other districts. Basically if a company needed more than 50% of its space for storage of product or components associated with their business, then the use has not been allowed in the HP District. This is not the case for the other commercial districts, such as B3, where such activity is considered an "accessory use" (a term defined in our ordinance).

To address the issues identified above, Staff and LRPC offered amendments to the Zoning Ordinance which would: a) eliminate the "Warehousing" provision from the Permitted Uses in the HP District, thereby treating accessory storage of materials in the HP similarly to other districts in town and; b) add definitions for "Warehouse" and "Distribution" to clear differentiate accessory storage from these principal, permitted uses types which are only allowed in the Industrial and Light Industrial districts.

Changes subsequent to first reading:

At both the Planning Board public hearing and Council first reading Staff was asked to refine the proposed language to clarify the definitions of Distribution and Warehousing. Working with LRPC staff is pleased to offer the following modifications to the proposed amendments.

Items highlighted below denoted changes recommended by LRPC from materials presented at first reading.

Excerpt from APPENDIX – B of Zoning Ordinance.

Procedures for Amendments to a Contract Zone

This summary of the steps for amending a contract zone does not substitute for the text of Section II of the Zoning Ordinance, which governs the process for contract zoning. Unless otherwise specified in the contract zoning agreement, a request to amend a contract zoning agreement shall be processed as follows:

- Step One: Applicant submits letter to the Town Council, in care of the Town Manager, explaining the proposed amendment and the reasons for the request. The letter will include the proposed amendment language and application fee specified in Schedule of License, Permit and Application Fees. If boundaries are to be amended, a map of the rezoned area must be included.
- Step Two: The Town Manager transmits the request to the Town Council and places the proposed amendment on the Council's agenda for a First Reading.
- Step Three: If the proposed amendment does not receive an affirmative vote by the Town Council on First Reading, the request shall be denied and the application fee refunded. If approved, the proposed amendment is forwarded to the Town Planner for Planning Board Review.
- Step Four: The Town Planner reviews the request and, if satisfied that the materials submitted are complete for review by the Planning Board, schedules a public hearing before the Planning Board, causing notice of the hearing at the applicant's expense.
- Step Five: After the Public Hearing, the Planning Board will forward any recommendations or comments concerning the proposed amendment to the Town Council. In addition, if the proposed amendment requires a revision to a site plan or to a subdivision plan previously approved by the Planning Board, the Planning Board will simultaneously consider the requested revisions. If the Planning Board determines that the proposed development meets such standards, the Board shall grant preliminary, provisional approval to the plans, subject to enactment of the requested amendment to the contract zoning amendment by the Town Council.

Step 6: After the Planning Board has forwarded its recommendations or comments to the Town Council AND granted preliminary site plan approval and/or preliminary subdivision approval, the Town Council shall proceed to a public hearing and Second Reading. Final passage of the amendment to the contract zone requires the affirmative vote of at least 2/3rds of the Council members present and voting, but, in no event, less than four Council votes.

Step 7: The approved amendment shall be executed by the Town Manager or other Town officer as the Council may designate, and recorded by the applicant in the Cumberland County Registry of Deeds. The amendment shall not take effect until it is recorded. If it is not recorded within 90 days after the Town Council approval, the Council, after giving the applicant notice, may rescind its approval of the amendment, if the Council determines that changed circumstances warrant rescission.

Step 8: After the amendment to the contract zone is recorded in the Registry of Deeds, the Planning Board shall complete its final site plan review and subdivision review, if required.

Piper Shores

June 5, 2018

Scarborough Town Council
c/o Tom Hall, Town Manager
P.O. Box 360
Scarborough, ME 04074

Dear Mr. Hall,

Attached please find an application on behalf of Maine Life Care Retirement Community, Inc. d/b/a Piper Shores, to modify the existing contract zoning agreement with the Town of Scarborough. Piper Shores seeks to expand our Continuing Care Retirement Community (CCRC). Our organization provides senior housing and health related services to 360 residents at 15 Piper Road. The organization currently consists of 138 acres off Spurwink Road. Of the 138 acres, 96 acres of the property are conserved as part of a conservation easement. As such, there exists little opportunity to grow the services offered by Piper Shores on the current campus.

Piper Shores desires to expand its offering of independent living dwelling units as part of our CCRC. Our current occupancy has sustained at 96% for nearly all of our organization's history. Related, we currently maintain a waitlist of more than 150 parties who have placed a 10% deposit on future housing. As such, the waitlist members are having to wait 3-7 years for occupancy. We expect that this demand will continue to grow given the demographic shifts, both in Maine, and the country at large, skewing to an older population.

In order to provide additional independent living housing, Piper Shores has entered into a Purchase & Sale Agreement with the owners of 5 Dorado Drive, Scarborough, ME. This parcel is approximately 150 feet from the entrance of Piper Shores. It consists of 45 acres, zoned residential, and contains a 7,299 square foot single family home along with a detached barn. The property includes well groomed walking trails and is abutted by Camp Ketcha along one border.

Our understanding is that the current RF Zoning District does not conform with our proposed development plan. Therefore, Piper Shores is proposing to amend the existing contract zone agreement to support the proposed development of this parcel. Piper Shores has opted to amend the existing contract zone agreement rather than seek a new contract zone agreement for this site. Piper Shores has spent the past nine months developing conceptual plans for this property. The organization is seeking to amend the existing contract zone agreement to allow for limited development of the property. As part

of our planning, we recently met with Maine DEP to discuss the conceptual plan. We believe the plan connected to this request is very sensitive to existing wetland areas on this site.

As consistent with our 17 year history as an organization, we are proposing a high quality development plan of independent living housing along with a modest clubhouse structure. This plan is expected to offer a number of benefits to the Town of Scarborough. Piper Shores proposes to increase front setbacks from 50 feet to 200 feet as well as increased side and rear setbacks from 15 feet to 50 feet. The proposed plan is extremely sensitive to adjacent property owners and will not be visible from Spurwink Road. As part of the community benefit provided to the Town, Piper Shores proposes to provide public access to existing recreational trails along with limited public parking. Finally, this proposed development will provide substantial tax revenue to the Town without any impact on public services including use of public schools, roadway maintenance and snow removal.

In summary, Piper Shores respectfully requests the consideration of our application to amend the existing contract zone agreement to encompass this new parcel. Please feel free to contact me should you have any questions concerning this matter.

Sincerely,

Jim Adamowicz
Chief Executive Officer

EXHIBIT A

ADDENDUM TO PURCHASE AND SALE AGREEMENT

This Addendum to Purchase and Sale Agreement is made this ^{July} 5th day of ~~June~~, 2017 (the "Effective Date"), by and between Patricia A. MacDonald and David R. MacDonald (hereinafter called "Seller") and Maine Life Care Retirement Community, Inc., a Maine non-profit corporation (hereinafter called "Buyer"). This Addendum shall be a part of the Purchase and Sale Agreement of even date herewith (the "Agreement") between Seller and Buyer relating to property located at 5 Dorado Drive in Scarborough, Maine described in the deed recorded in the Cumberland County Registry of Deeds, Book 31999, Page 210 (the "Property") and is hereby incorporated into the Agreement.

1. Deposit. Buyer shall make the following deposit: a [REDACTED] deposit upon execution of the Agreement and this Addendum. The [REDACTED] deposit is hereinafter called the Deposit. All interest earned on the Deposit shall be applied in the same manner as the Deposit as hereinafter set forth. The Deposit shall be applied and credited to the purchase price of the Property under the Agreement at Closing.

The Deposit shall become non-refundable after expiration of 180 calendar days from the Effective Date of the Agreement except that notwithstanding the foregoing, the Deposit shall in any event be refundable to Buyer if the conditions set forth in Section 4(a) or 4(d) are not satisfied at Closing or in the event of a termination resulting from a fire or casualty as provided in Section 7 of this Addendum. The Deposit shall be held in escrow until closing or termination of the Agreement.

2. Due Diligence. In addition to the conditions set forth in Section 12 of the Agreement, Buyer will need to conduct additional due diligence as to the condition of the Property. The Seller will cooperate with Buyer where reasonably possible, but all costs of due diligence shall be the responsibility of Buyer. Within 15 days after the Effective Date of this Agreement, the Seller shall provide to Buyer copies of the following documents relating to the Property in the Seller's possession or under its control relating to the Property and/or the buildings and improvements located thereon: (a) all surveys and plans; (b) building inspection studies, reports and evaluations; and (c) any environmental studies, reports or evaluations (the "Property Information"). For a period of 180 days from the Effective Date (hereinafter the "Due Diligence Period"), Buyer and its officers, employees, agents, advisers, architects and engineers shall have the right, and are hereby authorized, to enter the Property at reasonable times to conduct inspections, surveys, evaluations, tests (including building inspections, soils tests, wetlands studies, plant and wildlife studies and hazardous waste studies) and other investigations relating to the Property and for all other reasonable purposes relating to the Buyer's proposed use of the Property (collectively, "Buyer's Inspections"). In making Buyer's Inspections, Buyer shall rely exclusively on its own independent investigation and evaluation, and all costs and expenses of Buyer's Inspections shall be paid by Buyer. If Buyer, in its sole and absolute discretion, is not satisfied with the results of Buyer's Inspections or with the condition of the Property or with the feasibility of the Project, as hereafter defined, on the Property, then on or before the date that is ten days after the expiration of the Due Diligence Period, Buyer may serve written notice on the Seller of its election to terminate this Agreement. If Buyer gives such notice to the Seller, terminating this Agreement, this Agreement shall be deemed terminated, the Deposit and all interest earned thereon shall be returned to Buyer and neither party shall have any further rights, claims or obligations, except as otherwise expressly provided herein.

After the Due Diligence Period, Buyer shall continue to have the right, at all reasonable times, to inspect the Property, and to enter the Property and to conduct additional Buyer Inspections, including engineering studies, surveys, soil tests, inspections, and other reasonable evaluations of the Property, and to show the Property to governmental authorities, appraisers and prospective residents of the Property (but shall not have the right to show the interior of the house, garage, or barn to prospective residents), but Buyer shall not have the right to terminate the Agreement on account of the results of such Buyer Inspections conducted after the expiration of the Due Diligence Period except in accordance with the provisions of Section 6 of this Addendum.

Buyer shall be responsible for returning the Property to substantially its original state in the event the Property is disturbed by such Buyer's Inspections. Buyer shall also use reasonable efforts not to disturb Seller's privacy and use and enjoyment of the Property. Buyer agrees to indemnify, defend and hold the Seller harmless from and against any lien, damage, injury, claim or expense, including, without limitation, reasonable attorneys' fees, resulting from the Buyer's Inspections or the entry by Buyer or its officers, employees, agents, consultants, advisors, attorneys,

accountants, architects or engineers upon the Property in the performance of the inspections and investigations hereunder or in connection with Buyer's Inspections. The terms of this paragraph shall survive the Closing or other termination of the Agreement.

3. Title Review. On or before the date that is 30 days after the Effective Date of the Agreement (the "Title Review Period"), Buyer shall notify Seller in writing of any encumbrances or objections or defects in Seller's title to the Property as appearing in the Cumberland County Registry of Deeds that would make Seller unable to give title to the Property at Closing as herein stipulated or that in the opinion of Buyer would interfere with Buyer's proposed use of the Property for the Project (each of which is called herein a "Title Objection"). Buyer shall be deemed to have waived any objection to any Title Objection that existed as of the Effective Date of the agreement if Buyer fails to notify Seller in writing of such Title Objection on or before the end of Title Review Period. If Buyer gives Seller written notice of any Title Objection which exists as of the Effective Date of the Agreement (such written notice being referred to herein as a "Notice of Objection"), Seller shall have a period of not more than 45 days after receipt of the Notice of Objection (the "Cure Period") within which to remedy or cure any such Title Objection (or if such Title Objection is a mortgage that Seller has placed on the Property and if the mortgage secures an indebtedness not in excess of 75% of the purchase price hereunder, then Seller may cure such objection by agreeing that such mortgage shall be paid at Closing out of purchase price hereunder). If Seller elects not to cure the Title Objection, or if, having elected to cure a Title Objection, Seller is unable to do so within the Cure Period after the exercise of good faith efforts, then Buyer may elect by giving Seller written notice within five (5) business days after the expiration of the Cure Period or notice from Seller that it will not cure such Title Objection, as the case may be, either to (i) accept title to the Property at Closing, subject to the uncured Title Objection and without any reduction in the applicable Purchase Price, in which case such uncured Title Objection shall be deemed to be a Permitted Exception; or (ii) terminate this Agreement and have the Deposit returned to it, in which event all obligations of the parties hereunder shall cease and neither party shall have any claim against the other by reason of this Agreement, except with respect to obligations that are expressly stated herein to survive the termination of this Agreement. Seller covenants and agrees that after the Effective Date of the Agreement, without the written consent of Buyer, Seller shall not create any lien, easement, covenant or other encumbrance on title or allow any new lien, easement, covenant or encumbrance on title to the Property that did not exist as of the Effective Date of the Agreement and Seller shall promptly cause any such lien, easement, covenant or other encumbrance to be removed.

4. Conditions to Closing. Without limitation of any other conditions set forth in the Agreement or this Addendum, Buyer's obligations to close and pay the purchase price and to consummate the transactions contemplated by the Agreement are subject to satisfaction of all of the Conditions to Closing set forth in this Section 4. Buyer may waive any or all of such conditions in whole or in part but any such waiver shall be effective only if made in writing. If Buyer pays the purchase price due to the Seller at Closing, all such conditions shall be deemed to have been satisfied or to have been waived by Buyer. If any Condition to Closing set forth in this Section 4 is not fully satisfied by the Closing date as set forth in Section 5 of this Addendum, then Buyer may terminate the Agreement by written notice to the Seller given on or before the Closing date, in which event the Deposit and all interest earned thereon shall be paid to Seller except that the Deposit and all interest earned thereon shall be returned to Buyer if the termination of the Agreement is because either the condition set forth in paragraph (a) of this Section or the condition set forth in paragraph (d) of this Section is not satisfied or if the termination notice is given prior to the expiration of the Due Diligence Period or to the extent described in Section 7 of this Agreement in the event of a fire or casualty, and neither party shall have any further rights, claims or obligations hereunder except as otherwise expressly set forth herein.

The Conditions to Closing are as follows:

(a) Title. Good and marketable title to the Property in accordance with the Standards of Title adopted by the Maine Bar Association shall be conveyed by the Seller to Buyer at Closing, free and clear of all liens and encumbrances except for any Permitted Exception as defined in Section 3 of this Addendum. If the Seller is unable to convey title to the Property at Closing in accordance with the provisions of this paragraph, then the Seller shall have a reasonable time period, not to exceed 180 days from the time the Seller receives written notice of the title defect, to remedy the title. Seller agrees to use diligent efforts to cure any title defect. If such defects cannot be cured within such period, then Buyer shall either (i) elect to close and accept title "as is" without any reduction in the Purchase Price except that if such defect is susceptible of cure by the payment of money, Buyer may elect to close and to pay for such cure and deduct such cure amount from the Purchase Price at Closing, or (ii) terminate this Agreement, whereupon the Deposit and all interest thereon shall be returned to Buyer and neither party shall have any further obligations hereunder.

DAM

(b) Governmental Approvals. Buyer shall have obtained all necessary governmental approvals, permits and licenses that Buyer needs in order to develop and construct the Project, as hereafter defined, including all necessary permits, licenses and approvals from: (i) the Maine Department of Environmental Protection, (ii) the Army Corps of Engineers, if applicable, (iii) the Maine Superintendent of Insurance (including a Certificate of Approval for the Project issued by the State of Maine Superintendent of Insurance pursuant to 24-A MRSA chapter 73 (the "CCRC Act")) and (iv) the Town of Scarborough (and its Code Enforcement Office, Planning Board, Zoning Board of Appeals and Town Council), including, without limitation, subdivision and site plan approval from the Scarborough Planning Board, a building permit from the Town's Code Enforcement Officer and a re-zoning of the Property or a contract zone agreement from the Scarborough Town Council, all of which approvals, permits and licenses shall be satisfactory to Buyer and shall permit the Project to be developed and operated as part of the Buyer's Piper Shores life care community. The "Project" shall mean development and construction of at least 40 new dwelling units of a size and location determined appropriate by Buyer and related and related amenities and common facilities parking, utility, drainage, detention and other site improvements and related building facilities, and the use and operation of such dwelling units and improvements as part of Buyer's continuing care life care retirement community for purposes of the CCRC Act and applicable laws and ordinances.

(c) Appeals Period Expiration. No litigation or governmental administrative proceedings shall be pending with respect to the permits, licenses and approvals described in paragraphs (b) of this Section 4, and all appeals and reconsideration periods for all permits, licenses and approvals described in paragraph (b) of this Section 4 shall have expired.

(d) Closing Documents. Seller shall deliver to Buyer at Closing each of the Closing Documents required to be delivered pursuant to the Agreement and this Addendum, and the Seller shall have timely performed in all material respects each and every covenant and agreement to be performed by the Seller under this Agreement.

(e) Financing. Buyer shall have obtained a mortgage loan from the Maine Health and Higher Educational Facilities Authority or other lender in any amount deemed necessary by Buyer to finance payment of the purchase price payable to the Seller hereunder and the costs of development, design, marketing and construction of the Project.

(f) Board Approval. Final approval by the Board of Directors of Buyer, which approval shall be given in the next 60 days, and if not so given, then the Agreement shall terminate and the Deposit shall be refunded to Buyer.

5. Closing. The closing of the purchase and sale of the Property as referenced in Section 7 of the Agreement (the "Closing") shall occur on the earlier of the date that is: (a) 45 days after satisfaction of all of the Conditions of Closing (except that Closing shall occur simultaneously with the satisfaction of the Condition of Closing set forth in Section 4(e) hereof) or (b) 24 months after the Effective Date of the Agreement, as such Closing date may be extended as set forth herein. If all of the Conditions to Closing set forth in Section 4 of this Addendum have not been satisfied by the date that is 24 months from the Effective Date of the Agreement, then the Closing date shall be extended to the date that is 45 days after the date on which all of the conditions set forth in this section 4 have been satisfied, provided that the extension period shall not exceed 30 months from the Effective Date of the Agreement and provided further that if the Closing date is so extended beyond 24 months from the Effective Date the Deposit shall be non-refundable even if Buyer terminates the Agreement in the event of a fire or casualty pursuant to Section 7 of this Addendum and provided further that if the Closing occurs more than 24 months from the Effective Date the Deposit shall not be applied to the purchase price, but shall be consideration for Seller's agreement to extend the Closing date beyond 24 months from the Effective Date. Closing shall also occur on any earlier date as specified by Buyer by at least 7 days prior written notice to the Seller.

In addition to the deed described in Section 8 of the Agreement and the other documents required under the Agreement, Seller shall deliver to Buyer at Closing: (i) a Real Estate Transfer Tax Declaration of Value, the real estate withholding documentation required under Maine law and any other documents as are reasonably necessary to convey the Property to Buyer at Closing; (ii) such customary certificates, affidavits or agreements as the title insurance company issuing the title insurance policy to Buyer on the Property shall require in order to issue such policy and to omit therefrom all exceptions for unfilled mechanic's, materialmen's or similar liens (except to the extent that such liens are created by or through Buyer) and for parties in possession (except for the lease to be entered into between Buyer and Seller, to the extent it is in effect as of the Closing); and (iii) a written notice, in form and substance reasonably satisfactory to Buyer, which written notice shall certify either: (a) that to the best of the Seller's knowledge, there is no

underground oil storage facilities located on the Property, or (b) pursuant to 38 M.R.S.A. §563(6), if there are any such facilities on the Property, that the facilities exist and shall disclose its registration number or numbers, the exact location of the facilities, whether or not it has been abandoned in place, and that the facilities are subject to regulation by the Maine Board of Environmental Protection.

6. Termination. Buyer, at any time prior to Closing, may elect, by written notice to Seller, to terminate the Agreement and this Addendum, without cause, in which event Buyer shall have no further obligations or liabilities under the Agreement or this Addendum, in which event (a) if such termination notice is given more than 180 days after the Effective Date of the Agreement, the Deposit paid by Buyer as of the date of such termination shall be paid to Seller and shall be non-refundable, or (b) if such termination notice is given 180 days or less after the Effective Date of the Agreement, the Deposit paid by Buyer as of the date of such termination shall be paid and refunded to Buyer.

7. Fire or Casualty; Condition of the Property. Seller agrees that full possession of the Property will be transferred to Buyer at the Closing in substantially the same condition as the Property is in as of the Effective Date, except for reasonable wear and tear and except that the Seller shall remove all of its personal property, waste and debris from the Property and shall leave the Property in a clean and orderly condition. Seller agrees to repair and maintain the Property and all improvements located thereon in their current conditions (except that Seller shall not be obligated to maintain the road or driveway), so that the Property will be conveyed to Buyer at the Closing substantially similar to the current condition thereof, with all water, sewer, plumbing, heating, air conditioning, electrical systems and the roof and structural condition thereof and all site improvements on the Property substantially similar to the current condition thereof; provided, however, that the cost of any structural or other capital improvements or repairs (including major repair or replacement of any of the above-described systems) made by Seller shall be shared equally by Buyer and Seller as of the time such expenditures are made. Before making such improvements/repairs/replacements, the cost of which would be split between the parties, Seller shall notify Buyer of its intent to incur such costs, and Buyer may, at its option, notify Seller of its refusal to bear its share of the cost. In such event, Seller may make such improvements/repairs/replacements at its own cost, but shall not be obligated to do so, and shall not be liable to Buyer for failure to maintain the Property as to such items. Notwithstanding anything to the contrary set forth in this Agreement, if, prior to Closing, any damage is caused to the Property by fire, casualty or otherwise, and such damage is not repaired and restored by Seller prior to Closing, then Buyer, at its option, either (a) may elect to terminate this Agreement by giving written notice to Seller of its election to terminate this Agreement in which event the Deposit shall be repaid by Seller to Buyer, or (b) may elect to close in which Buyer may deduct from the purchase price hereunder the value of insurance proceeds received by Seller relating to such damage (to the extent such proceeds are allocable to the Property).

8. Notices. All notices and other communications required or permitted hereunder ("Notices") shall be in writing, and shall be: (a) personally delivered with a written receipt of delivery; (b) sent by a nationally recognized overnight delivery service requiring a written acknowledgement of receipt or providing a certification of delivery or attempted delivery; (c) sent by certified or registered mail, return receipt requested; or (d) sent by confirmed facsimile transmission, or email, with an original copy thereof transmitted to the recipient by one of the means described in subsections (a) through (c) no later than three (3) Business Days thereafter. Each Party shall be entitled to change its address for Notices from time to time by delivering to the other Party Notice thereof in the manner herein provided for the delivery of Notices. WHEREAS, the Town of Scarborough, by and through its Town Council has determined that the amendments set forth herein to said rezoning would be pursuant to and consistent with the Town's local growth program and 2006 Update of the Comprehensive Plan adopted pursuant to Title 30-A, Maine Revised Statutes, Chapter 187, Sub-part 6-A, by providing a range of senior housing opportunities within a growth area served by public water and sewer facilities, encouraging the development of multiplex/multi-family housing, growing a non-profit business that offers high quality jobs, and adding new residential development that does not result in demands for expanded services beyond the Town's ability to meet those demands; and such amendments are consistent with the existing and permitted uses within the original zoning district classifications; and

WHEREAS, the Town of Scarborough, by and through its Town Council, has determined that the amendments set forth herein to said rezoning are in the public interest and will have beneficial effects on the Town as a whole which would not result if the property were developed under the existing zoning district classification by: (i) providing housing and amenities to senior citizens with innovative design features, (ii) providing public access to recreational trails, (iii) improving the Town's tax base, (iv) providing a contribution to the Town's Affordable Housing Initiative Fund; and (v) increasing employment opportunities in the Town; and

WHEREAS, the Town of Scarborough, by and through its Town Council has authorized the execution of this Second Amendment to Contract Zoning Agreement ("Second Amendment").

NOW, THEREFORE, in consideration of the mutual promises made by each party to the other, the parties covenant and agree as follows:

1. The Town hereby amends the Zoning Map of the Town of Scarborough by adopting the map change amendment shown on Attachment 1. The Agreement is amended to add to the provisions of the Agreement the property described in Exhibit A of this Second Amendment (hereinafter called the "Dorado Property"). The provisions of Section 2 of the Agreement are hereby amended to provide that Sections 2(a) through 2(j) of the Agreement shall

not apply to the Dorado Property and instead the following provisions shall apply to the Dorado property, and Maine Life Care is authorized to construct up to 61 dwelling units and related improvements as described below and subject to the conditions set forth below and notwithstanding the provisions of Sections XIV and IX of the Zoning Ordinance of the Town:

(a) Building Height: The maximum building height is 55 feet. Building height for purpose of this Agreement shall be as defined in the zoning ordinance.

(b) Density: The maximum residential density for the Dorado Property shall be 61 dwelling units. The dwelling units may be located in any combination of single family dwelling units, duplex or two family dwelling units, and multi-family dwelling units, and any building with multi-family dwelling units may also contain additional common facilities such as meeting rooms, activity rooms, recreational facilities, common dining and kitchen facilities and parking facilities and other facilities that may be part of a Continuing Care Retirement Community.

(c) Permitted Uses: The uses allowed or permitted on the Property shall be a Continuing Care Retirement Community and accessory uses, including maintenance and operations support facilities. The term "Continuing Care Retirement Community" shall have the meaning set forth in the Contract Zoning Agreement, dated November 6, 1997 and November 17, 1997 and recorded in the Cumberland County Registry of Deeds, Book 13437, Page 19, and Book 13449, Page 171, as amended by the First Amendment to Contract Zoning Agreement, dated May 21, 2015, and recorded in said Registry, Book 32302, Page 205 and as amended by this Amendment.

Formatted: Tab stops: Not at 0"

(d) Building Design: Building design, style and materials shall be substantially as depicted on plans submitted during site plan review, with any changes thereto as approved by the Planning Board.

(e) Residents: Occupancy of the Continuing Care Retirement Community shall be limited to person 62 years of age or older households with at least one resident who is 62 years of age or older; provided, however, that in the case of any dwelling occupied by a person age 62 or older and by a person older than age 35 and younger than age 62, in the event that the person age 62 or older moves out of the dwelling unit or dies, the younger person may continue to reside the dwelling unit.

(f) Sewer and Water: The facility will be served by both public water and public sewer.

(g) Setbacks: The front yard setback from Spurwink Road shall be a minimum of 200 feet and the side and rear yards from the exterior boundary of the Dorado Property shall be a minimum of 50 feet.

(h) Parking: The following minimum off-street parking shall be provided: 1 space for each dwelling unit.

(i) Road Length: In recognition of the fact that all units will be equipped with residential sprinkler systems and that adequate fire hydrants will be provided throughout the project, the cumulative length of a dead end private way on the Dorado Property may exceed 2,000 feet but shall not exceed 2,800 feet.

(j) Site Plan and Subdivision Plan: The property shall be developed in a manner consistent with the site plan and subdivision plan as finally approved by the Scarborough Planning Board, and as said approved site plan and subdivision plan may be amended from time to time pursuant to the provisions of the Site Plan Review Ordinance of the Town of Scarborough and the Subdivision Ordinance of the Town of Scarborough.

Any amendment which involves the following changes will require an amendment to this Contract Zoning Agreement: (a) any change to the definition of a Continuing Care Retirement Community; and (b) any increase in the number of units, decrease in minimum setbacks or increase in maximum building height.

2. Maine Life Care shall record this Second Amendment to Contract Zoning Agreement in the Cumberland County Registry of Deeds within 90 days after its execution by the Town.

3. In recognition of Scarborough's interest in expanding affordable housing opportunities, Maine Life Care agrees to make a \$20,000.00 contribution for the equivalent of 1 unit per every 10 units, payable to the Scarborough Affordable Housing Initiative Fund at the time of applying for each building permit, such amount to be payable in the amount of \$2,000 per dwelling unit at the time of application for each building permit. The total cumulative amount to be paid assuming that Maine Life Care applies for building permits for all 61 dwelling units permitting under this Amendment is \$122,000.

4. Maine Life Care agrees that walking trails located on the Dorado Property may be used by the general public during daylight hours subject to reasonable rules and regulations adopted by Maine Life Care from time to time. Maine Life Care shall provide two parking spaces for the general public to access such trails. Maine Life Care shall have the right to relocate such trails and parking spaces from time to time.

5. Unless extended by the Town by further amendment of this Agreement, construction of the additional improvements to the Property authorized by this Second Amendment may commence within five (5) years after execution of this Second Amendment and shall be substantially completed within ten (10) years from the date of this Second Amendment.

6. Maine Life Care acknowledges and agrees that the 61 dwelling units authorized by this Amendment will not be licensed as skilled nursing or assisted living or residential care and that accordingly such independent living dwelling units shall be subject to property tax by the Town.

76. Except as specifically amended herein, all terms and conditions of the Agreement shall remain in full force and effect.
