Athletics and Scholarships: Building Character and Career Success

At Fisher, athletics offer more than fitness—we help you develop skills and values for success in both your career and personal life. Our Department of Athletics offers 8 competitive varsity sports, including Baseball, Softball, Men's and Women's Soccer, Basketball, Volleyball, all affiliated with the NAIA.

At Fisher, our student-athletes embody the NAIA values of respect, responsibility, and sportsmanship, gaining valuable teamwork experience that extends beyond the field. Whether competing at a high level or enjoying recreational sports, athletics will help you grow as a leader and individual.

Fisher College is the first Boston-area school with a top-tier collegiate esports program, featuring over 200 elite players and nationally-ranked coaches. Beyond competition, students gain vital experiential learning in the esports industry. This includes skills like team management, event execution, securing partnerships/sponsorships, and live stream production.

Fisher College offers athletic and esports scholarships to exceptional student-athletes and collegiate esports players based on talent and eligibility.

The Fisher Pathway Program

Academic Support for International Students

Starting your education at an American college is an exciting step, but we understand it can also feel challenging. The Fisher Pathway Program is specifically designed to help international first-year students navigate the transition to college life and succeed academically. Through this program, you'll take credit-earning courses led by professors who understand the unique challenges international students face. These classes are tailored to ensure you gain the skills and confidence needed to move forward in your degree program.

We welcome motivated international students from all backgrounds who are ready to take full advantage of the opportunities Fisher has to offer. Our admissions process is personalized, and we evaluate each application individually on a rolling basis. For those planning to start in the spring semester, applications are due by December 1st, and for the fall semester, by July 1st.
