Subject: Notification of Intent to Submit a Charter School Application

Dear Superintendent Dr. Frank Ranelli,

On behalf of Valley Forge Public Service Academy Charter School, I am writing to notify you that we intend to submit a charter school application to the Radnor School District.

Our mission is to provide students with a strong academic foundation while instilling the values of civic responsibility, leadership, and public service. We believe that schools thrive when they work in partnership with their communities, and our goal is to complement the outstanding educational opportunities already available in Radnor School District

We recognize that the establishment of a new charter school may be of interest to neighboring districts, and we want to ensure transparency as we move forward in the application process. While our application will be submitted to the Radnor School District, we value the broader educational ecosystem and the collaboration that supports student success across district lines.

We welcome any questions you may have and are committed to maintaining open communication throughout this process.

Thank you for your time and for your continued dedication to the students and families of our region.

With respect and appreciation,

Stephen Flavell M. Ed
