PROFESSIONAL EXPERIENCE

The Source & The Source Advisory, Radnor, Pennsylvania

2002 – present

Consulting, Executive Search & Investment Banking firm. Specializing in human capital solutions, executive placement, strategic consulting and investment banking services. Retained by for-profit companies, investment groups and educational institutions to evaluate growth strategy, corporate structure and human capital assets, resulting in recruitment and placement of Director to C-Level employees. In addition, consult on capital raise, acquisition, sale, merger or investment process. Deal size ranging from \$1million to \$75 million. www.thesourcecareers.com & www.thesourceadvisory.com

Managing Partner

Responsible for overseeing and building the business. Strategic leader responsible for 100% of the business development of the firm. Established all strategic partnerships, and recruitment of staff and sub-

contractors. Assisted in recruitment process of Director to C-level talent for clients both domestic and international.

Management & Economics Consulting, Inc. (MAECI), Radnor, Pennsylvania 2007 - 2020

Global consulting firm with expertise ranging from research, economic, financial and social assessment, to project design, implementation and control, policy advice, financial and budget analysis, market analysis, institutional assessments, business plans and product development. Projects successfully awarded and completed in excess of \$400 million since 2009, in Sub-Saharan Africa. www.maeci.org

Senior Vice President

Serves on the executive leadership team and oversees all Sales & Marketing including strategy, operations, contract negotiations, procurement, human resources, financial controls and profitability. Manage project portfolio (Equatorial Guinea, Sao Tome & Principe, Cameroon, Chad, Central African Republic, Benin)

Selected Achievements:

- Partnered in the creation, and execution of a historic 5MW Micro-Grid Solar installation on Annobon Island, Equatorial Guinea in West Africa. <http://www.gereportsafrica.com/post/95077467571/bringing-power-to-paradise>
- Negotiated, closed and implemented successful exclusive Renewable Energy distribution agreements for CEMAC countries with Fortune 500 companies such as General Electric, Eaton, Princeton Power Systems, and Nexus Energy Solutions.
- Designed and negotiated Solar PV development agreements in Sao Tome & Principe and Cameroon for a total of +110 MW.
- Partnered in the creation and presentation of a Renewable Energy and Environmental Impact study, including Public-Private Partnership strategy for several Western African countries.
- Created and in the process of deploying “Center of Excellence” concept for Renewable Energy Solutions for Sub-Saharan Africa. Solicited and secured partnerships with Major U.S. Companies such as General Electric and Eaton, and Universities such as University of Delaware, Pennsylvania State University and Princeton University.
- Successfully consulted and partnered with a multi-billion dollar development company on the implementation of 10 agriculture projects in Equatorial Guinea. Project implementation started at deforestation to end product processing.
- Successfully consulted and partnered in the construction of a sheet metal roofing as well as an agriculture implements manufacturing facilities and establishment of distribution companies to market and sell these products with Equatorial Guinea, as well as neighboring CEMAC countries.
- Led the strategic planning process to refocus the company on the high-growth Western Africa market, while divesting non-core businesses to provide capital support for key initiatives.
- Developed the framework and organizational design, as well as recruited a global team, that enabled the establishment of a world-class, high performing delivery team within Western Africa.
- Designed key accounting processes surrounding global project delivery from order-to-cash and delivery level revenue and contribution margin accounting, planning and analysis.

The PM Capital Group (merged into The Source in 2015), Radnor, Pennsylvania 2010 – 2015

Privately held investment banking and management consulting firm founded in 2010 by a management team with extensive experience at firms such as Johnson & Higgins, United Healthcare, Automatic Data Processing and Source Capital. Firm focuses on growing companies that need a blend of financial, intellectual, human and social capital to become emerging leaders in their field. PM Capital

began as a boutique investment banking and advisory firm specializing in small to medium-sized transactions, and continues to focus our activities in those segments of the market. Business sectors include financial services, healthcare and business services sectors.

Partner

Strategic leader with a breadth of successful experience leading Sales & Marketing for the firm. Leading both acquisition and growth based strategies for clients as large as Merck, Abbott Labs, and General Dynamics to early stage and start-up companies. Deep experience in accessing capital markets as well as hiring, establishing, managing and implementing all aspects of accounting, finance, treasury and information technology required to support a fast growing business.

Professional Summary

Founder, attorney, and finance expert with over 25 years of experience leading public finance initiatives and advancing data transparency in the charter school sector. As Founder and President of School Improvement Partnership, Alan manages a comprehensive database covering financial, academic, and operational metrics for charter and management organizations in 30 states and the District of Columbia, reporting on over \$2 billion in charter school loans. A trusted advisor to institutional investors, state governments, and education leaders, he has led projects spanning school creation, funding formula analysis, and investment due diligence.

Professional Experience

Founder and President | School Improvement Partnership 2014 – Present

- Spearheads national data transparency efforts in the charter school sector.
- Maintains and analyzes a large database of financial, academic, and operational data for charter schools and CMOs in 30 states and Washington, D.C.
- Provides reporting and analysis on over \$2 billion of charter school loans for institutional investors.
- Leads consulting projects, including:
 - Launching a charter high school for Marines and First Responders.
 - Conducting pre-investment evaluations of CMOs for investors.
 - Assessing the impact of state funding formulas on charter schools in Tennessee for the Governor's office.

Shareholder | Zarwin Baum DeVito Kaplan Schaer & Toddy, P.C. 2014 – Present

- Head of Public Finance and Charter School Groups.
- Closed over \$5 billion in bond financings for clients such as the Pennsylvania Turnpike Commission and TD Bank, N.A.
- Served as finance counsel for the Jewish Association on Aging of Pittsburgh, structuring and closing a \$20 million financing involving four lending sources.

Shareholder | Fox Rothschild LLP 2008 – 2014

- Led the Public Finance Group, completing numerous charter school financings in California, Texas, Colorado, and Pennsylvania.
- Expanded the firm's charter school and municipal bond practice nationally.

Shareholder | Cozen O'Connor 1996 – 2008

- Founded and chaired the Public and Project Finance Group.

- Principal attorney for the Pennsylvania Turnpike Commission in drafting and negotiating Act 44 of 2008.
- Created the Workers Compensation Savings Program for the School District of Philadelphia, reducing costs by 18%.
- Designed legal frameworks for Early Retirement Programs for the School District of Philadelphia and Luzerne County.
- Managed major bond financings for Citizens Bank Park, the Pennsylvania Higher Education Assistance Agency, and the Commonwealth of Pennsylvania.

Education

Juris Doctor **University of Virginia School of Law**, Charlottesville, VA

Master of Arts **University of Virginia Graduate School of Arts and Sciences**,
Charlottesville, VA

Bachelor of Arts in History, Highest Honors **Dartmouth College**, Hanover, NH

Thought Leadership
