3D PEN WORKS

In my tree sculpture (right) I included multiple colors in the trunk to show the process of creating it. Creating a natural subject like tree was an inspiring juxtaposition to the unnatural 3D pen medium.

The dragon sculpture (left) allowed for me to play with different textures within the 3D pen medium

THE LILYPAD POSTER DESIGN

This poster was created as promotional material for a performance of mine at The Lilypad jazz club. This piece allowed me to unite my passions for design and music for a venue that is very close to my heart.

CAMBRIDGE YOUTH COUNCIL WELL-BEINGS DESIGN

The Cambridge youth headspace program commissioned a poster and sticker design for their new Youth Headspace campaign for students. I used procreate to draw the stickers and then translated them into Illustrator.

ONE SCHOOL ONE STORY LOGO

This logo was created through a design competition for the summer reading program at Cambridge Rindge and Latin school.

ORBIT GUM LOGO REDESIGN

In this redesign, I took the old Orbit logo and put it into my own style. I then translated the new logo into possible poster branding.

CREATIVE DESIGN DEPARTMENT DESIGN

This design was created for the RSTA Creative Design Department at Cambridge Rindge and Latin School who needed a t-shirt and a corresponding logo.
