CCSD Information

Campus Middle School and Cherry Creek High School want future Bruins at Cherry Creek events as often as possible, so they are excited and prepared to transition to the high school. Attendance at Cherry Creek events will help in achieving this goal!

When considering attendance at the football games, to keep the environment safe and enjoyable for everyone, we **need your help** reinforcing the following expectations with your middle schooler:

1. Students are expected to **remain seated in the stands** while watching the game.
2. Running around or playing in other areas of the stadium is not allowed.
3. If a student is reminded once to sit down and it happens again, we will contact their parent/guardian. At that point, the student may be asked to leave with their parent.

Our goal is to make football games a fun, safe, and spirited experience for all of the fans. Thank you for helping us by talking with your child before the game and reminding them of these expectations. Together with the staff and administration at Cherry Creek we can keep events positive and enjoyable for everyone. Go Bruins!
