Dear MUSD Families,

Gratitude in Every Corner

As we head into the Thanksgiving Break, I want to thank you for your partnership. The way you show up for your children shines through every day.

May your holiday be filled with good food, good company, and moments that let you slow down and enjoy one another. We look forward to all the learning still ahead this year.

Thank you for choosing MUSD!

Sincerely,

Dr. Tracey Lopeman
Superintendent, Maricopa Unified School District
