

San Mateo County

Career Technical Education (CTE)

Spring 2026 Advisory Meeting

Lend your expertise in a high-impact CTE session: discuss labor market trends and offer feedback as students present major projects.

Support our local high schools and help ensure that career technical education (CTE) programs align with San Mateo County's workforce needs. Your feedback will help schools to prepare students for the jobs our county needs most.

Join us to:

- Discuss the latest industry-specific labor market data and what it means for career technical education
- Judge student capstone project presentations and provide meaningful feedback to emerging talent.

Thursday, April 30

4:30 - 7:00 PM

Please RSVP by April 10th at:
