SANDERS ELEMENTARY SCHOOL

November 2025

HIGHLIGHT

November was a vibrant month at Sanders Elementary, filled with cultural learning, student creativity, and community engagement.

- **Filipino Cultural Exchange – Musical Literacy Concert**

Our SES Filipino Teachers hosted a wonderful cultural exchange event, the Musical Literacy Concert. Students learned Filipino cultural dances and songs, practiced reciting poems and short plays, and showcased their performing arts skills. The event concluded on November 21st with families enjoying traditional Filipino dishes. We appreciate the positive feedback and support from our community. Each year, our Filipino teachers complete this cultural exchange as part of the Amity program requirements.

- **4th Grade Wax Museum – Mrs. Lynch’s Class**

On November 19th, Mrs. Lynch’s 4th graders presented their Wax Museum projects. Students researched a historical or influential figure, created a presentation board, and confidently shared their knowledge with families and guests. This project helped students strengthen public speaking, memorization, and research skills.

- **TMC Behavioral Health Activities**

Throughout the month, TMC Behavioral Health hosted activities such as Affirmation Jars for Kinder–2nd grade. Students learned the meaning of affirmations and how to use them in positive, healthy ways.

- **Johnson O’Malley Art Therapy Session – 5th Grade**
Johnson O’Malley (JOM) sponsored an art therapy session for 5th graders, where students engaged in painting and social-emotional expression through art.

Volleyball Season Wrap-Up

SES Volleyball, coached by Verlaine Six, concluded their season on November 22nd at the St. Michael’s League Championship. Both our Blue and Gold teams advanced to the next round and represented Sanders Elementary with pride. Thank you to our parents for your support throughout the season!
