

MILWAUKEE
PUBLIC SCHOOLS

Dear MPS Families and Staff,

We are pleased to report that the following schools have passed their clearance tests for lead cleanup, after the last few spaces in the buildings were completed:

- Humboldt Park
- Mitchell

Workers successfully renovated and painted surfaces to stabilize them, and the schools were thoroughly cleaned. These schools were prioritized as part of our goal to ensure that all schools built before 1950 and serving elementary students were cleared for occupancy first.

Opportunities to Have Questions Answered

Next Steps

Milwaukee Public Schools has posted its lead action plan. You can find it on the [MPS Lead Report webpage](#), along with other information and updates.

Families are encouraged to see their child's healthcare provider for a routine lead screening if they have not done so already.
