

Chess Club

Think deep. Play hard. Have fun.

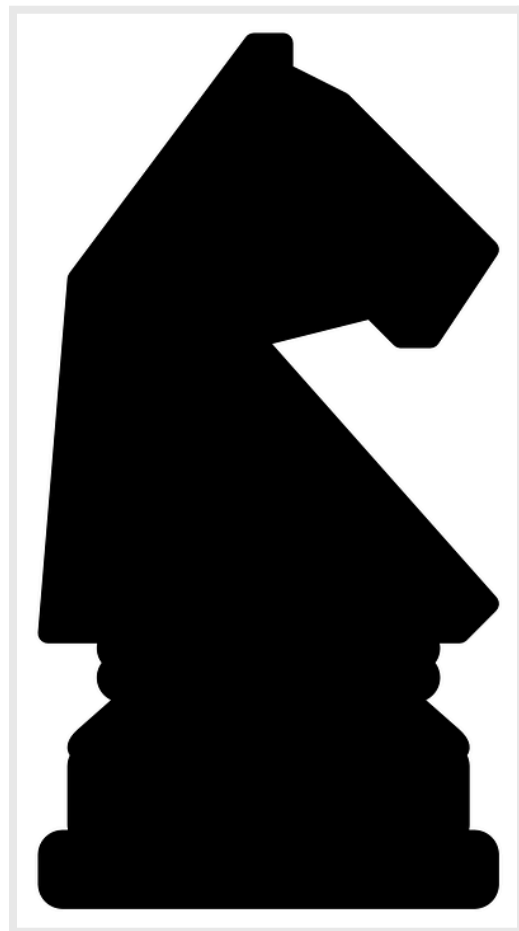

Chess Club is a fun and interactive chess club that seeks to develop students into better chess players through a combination of structured free play and teaching times. An internationally respected and enjoyed sport, chess is played by millions of people around the world, making it one of the most popular games of all time. Start your own chess adventure with us!

Among other things, we will be covering following topics in our club:

- the basics of chess
- beginning, middle, and end game strategy
- how to take chess notation
- famous chess matches

Additionally, chess is a wonderful way to foster student skills in the following areas:

- problem solving
- calmness under pressure
- sportsmanship
- pattern recognition
- patience
- creative thinking

the

We warmly invite you to join us at Chess Club and experience the many benefits of playing chess!
