“ What our donors had to say:

“Our family loves Park because they cultivate each student, faculty and staff, to be the best individual that can thrive on and off campus. Park celebrates academics, the arts, and the need to learn from one another through the student academic journey and we love that for all the kids that attend.”

Maryam Qureshi (Parent '29, '32, '36)

“Thanks, PT, for teaching our students curiosity, creativity, courage, & compassion!”

William Langley-Bostick (Faculty/Staff)

“Former parent of Park Tudor graduates and now grandparents of PT students where there is an emphasis on academics and individualized learning.”

Barrie and Gary Fisch (Grandparents '28, '29, '31)

“We proudly support Park Tudor School because it offers the best education around, with dedicated teachers who genuinely care about their students’ growth, character, and success.”

Jay Lorentz and Tina Kluemper (Parents '18, '26)

“Beyond thankful for this place and how it inspires kindness, curiosity, friendship, and a love of learning. Go Panthers!”
