Letter from the Principal

Bishop John J. Snyder High School is a truly unique and special place. We are a community that not only excels academically, but also embraces the formation of the whole student—mind, body, and spirit. Rooted in the rich Catholic tradition upon which we were founded, Bishop Snyder partners with families to guide students closer to Christ while shaping them into conscientious young men and women who live out the Gospel message in their daily lives and make a difference in our world.

For nearly 25 years, Bishop Snyder has been dedicated to providing a challenging academic curriculum, a competitive and well-rounded athletic program, and a wide variety of clubs and extracurricular activities. Most importantly, we cultivate a strong faith environment, ensuring that the Gospel is at the heart of everything we do. This daily witness to Christian values is the central focus of our mission and identity at Bishop Snyder High School.

As our programs continue to grow, we remain committed to managing the expansion of our campus and facilities with care and vision. We are especially excited about the plans for a new building that will add 12 classrooms, providing the space needed to serve our growing student body. The future of Bishop Snyder is bright and filled with promise, thanks to the dedication of our exceptional faculty and staff. Each teacher, coach, and staff member is committed to walking with students on their educational journey and providing them with meaningful, faith-filled learning experiences.

The future of our community and our Church is in good hands because of the outstanding young men and women who graduate from Bishop Snyder. They leave us not only prepared for the challenges of college and career, but also equipped to lead lives of faith, service, and integrity.

In Christ's love and peace,

SCHOOL COUNSELING

At Bishop Snyder, our School Counseling Department is dedicated to guiding students through every stage of their high school experience. Beginning freshman year, counselors work individually with students to create an academic plan that reflects their God-given strengths, interests, and long-term goals. Through regular check-ins, we walk alongside students as they explore career pathways, prepare for college admissions, and make informed decisions about courses, testing, and scholarships. Rooted in our Catholic values, we encourage students to discern their future with faith and confidence—so that every Snyder graduate is prepared for college, career, and a life marked by competence, conscience, and compassion.
