

Jacob Roberts Memorial Scholarship Application (Date Due: March 20, 2026)

The Jacob Roberts Memorial Scholarship is dedicated to the memory of Jacob Roberts. Jacob graduated valedictorian from Reed High School in 2011 with a 5.6 GPA. He attended Seattle University in Seattle Washington where he was studying physics. He passed away from an accidental fall right before finishing his first year of college. Jacob planned to finish his studies at a four-year university and then continue on to Graduate School to get his PhD and become a physicist. Besides his passion for physics, he enjoyed theater and guitar. Jacob was a very positive influence on many people's lives. His education was very important to him, so we have set up this scholarship to help support others with their education.
