

Join our Menu Advisory Committee

Help shape the school meals that fuel student success!

What is a Menu Advisory Committee?

The NSLP Menu Advisory Committee is a diverse group of stakeholders who review and gather/provide feedback on the school's breakfast and lunch menus. The committee ensure meals are nutritious, aligned with National School Lunch Program guidelines, and appropriately reflects student tastes, cultural diversity, and community needs.

The Menu Advisory Committee may be responsible for surveying students, holding and/or participating in taste tests, reviewing menu ideas, and collaborating with the school's food provider to implement menu cycle changes.

Committee members will be expected to meet at least once per year.

Who can participate?

We greatly value participation and feedback for all stakeholders of the school.

How to Join?

If you are interested in participating in the Menu Advisory Committee, or have questions about the school meal program, please contact the Child Nutrition Director, Ms. Kira Morrison, at kmorrison@hoganprep.net.
