

Thanksgiving Wishes from POB Schools

November 26, 2025

Dear POB School Community,

As we look forward to Thanksgiving, I want to express my gratitude for being part of a school community that consistently puts children first. This commitment is reflected in the tremendous outcomes our students achieve academically, athletically, musically, and creatively. It is also observable in more simple but powerful moments throughout our schools, such as the hallways of Pasadena lined with students' names and notes of what classmates are grateful for about one another (*see picture below*). These gestures capture the spirit of belonging and care that defines POB.

I also want to remind you of an upcoming opportunity for families to learn alongside our teachers, administrators, and PTA. On **Thursday, December 4th at 7:00 PM in the POB Middle School Library**, Cornelius Minor, author of *We Got This*, will lead an interactive workshop focused on creating nurturing and supportive environments in our classrooms and how to build bridges between school and the greater community. This evening will offer time and space for us to learn, reflect, and engage together. The link to the RSVP is below.

On behalf of the POB Board of Education and Administration, I wish you and your loved ones a Happy Thanksgiving.
