

## Resources for families who do not have insurance

- Appointments are required – please call (no walk-ins accepted)
- Bring all vaccine records (even foreign records) to provider appointments
- Bring insurance cards (if you have them) to provider appointments
- If no insurance, please ask call center what you must bring to the appointment
- If parents/guardians are unable to bring the child to the appointment, please bring a letter from the parent/guardian giving authorization to individual taking child to the appointment

**Let the facility know your student needs vaccines to enter school**

## SAN JOAQUIN COUNTY CLINIC LOCATIONS

Please note that the San Joaquin County Public Health Services office does not have full-service clinic offerings. Please select from the list of provider locations below and contact for regular care. Thank you.
