School Goals

Liberty strives to promote student success, both academically and emotionally. To do this, we recognize the value of high achievement and promote consistent student attendance. We work with students and their parents to break down the barriers that may cause absences and connect them to our school community. Our school follows a Response to Intervention process that establishes supports and enrichment for students in the area of literacy and behavior. In addition, we recognize the importance of social and emotional learning and embed it into our daily instruction.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

Liberty works to ensure students and their family feel welcome and safe in our school. All staff train and strive to keep everyone protected and secure. All communication sent home through mail, phone, or text are translated for easy access. Interpreters are provided for parent conferences and other school meetings where parents are present. School information can be found on our district and school website. Parents are invited to volunteer in our building after completing the background process. We offer many family and community events at our school to make sure everyone is included.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

To ensure a safe and secure learning environment for all of students, Liberty creates classrooms where students communicate, cooperate, develop strong relationships, embrace diversity, and resolve conflicts. Teachers have also developed coordinated classroom management plans that are designed to teach students how to be highly engaged, responsible, and academically successful.

For more information, please contact the building principal or refer to the district website.

EXTRACURRICULAR ACTIVITIES

Our school offers several academic focused extracurricular activities:
Liberty Singers (choir)
5th Grade Leadership
5th Grade Band at Memorial Middle School
School Garden
Strings
Oregon Battle of the Books

PARENT ENGAGEMENT

Our school strives to engage all of our families by providing a welcoming atmosphere for all. We encourage volunteerism, and we offer language supports for families who speak languages other than English. We offer opportunities to be engaged through serving on site council and our parent-teacher organization. Our school also holds a variety of family events throughout the year.

We strive to foster open communication with families through our school and district website, newsletters, and various methods of communication between staff and families.

COMMUNITY ENGAGEMENT

We partner with local businesses/agencies to provide students with additional learning opportunities: Local Museums, Police and Fire, Oregon Fish and Wildlife, OSU athletics, and the City of Albany.

The following community partners provide additional support for our families and school: Rotary, YMCA Mentors and Lunch Buddies, School Resource Officers, FACT, and Linn County Mental Health, and West Albany High School Leadership Class.

We also partner with our Parent Teacher Club to offer a variety of activities: Lap-a-Thon, Holiday Dinner drive, carnival, movie nights, field trips, and end-of-year celebrations.
