About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

To ensure a safe and secure learning environment for all of students, Waverly has adopted a social emotional learning curriculum. This curriculum helps us create classrooms where students communicate, cooperate, develop strong relationships, embrace diversity, and resolve conflicts. Our counselor and teachers develop plans that are designed to teach students how to be highly engaged, kind, responsible, and academically successful. Throughout the year we conduct regular meetings on how to recognize bullying, harassment, and safety concerns and provide strategies for intervention.
