LGPS Counselor Corner

WITH MISS B AND MRS. JACKSON

Parental Involvement

Hello Parents and Guardians!!!!

Have you thought about how you could get involved here at LGPS? Have you considered being a volunteer within the building during the school day? What about becoming a breakfast buddy? We could use some help in the cafeteria each day. Maybe you would consider an hour of time to help supervise the students during lunch. We would love to have your assistance, if your schedule allows it. Give us a call at 540-661-4420.

Lessons

Mrs. Jackson and Miss B will be pushing into technology classes for their monthly lesson the week of Nov. 17-21. Be on the lookout for what your child learned or created with us.

Teaching Children to be Grateful

Model and discuss gratitude

- Lead by example: Say "thank you" to others like servers and bus drivers.
- Talk about it: Ask children what they are grateful for.

Create routines and rituals

- Start a daily habit: Make it a routine to go around the dinner table or share at bedtime one thing each person is grateful for from the day.
- Build a gratitude jar: Have children write or draw things they are thankful for on slips of paper and put them in a jar. This creates a visual reminder of life's blessings.

Important Dates

November 7th
Veteran's Day Recognition

November 13th
