MISSION STATEMENT

Pleasant Valley Elementary School will focus on student centered learning and promoting the education of the **WHOLE** child! We will **ALL** work together in a collaborative manner to promote student success.

A MESSAGE FROM THE PRINCIPALS

With 2025 coming to an end, we would like to express our gratitude for our wonderful PVE family. The collaboration among our teachers, support staff, PVE families, and the PTO has provided our students with extraordinary school experiences. PVE students have demonstrated tremendous effort this fall, and we are incredibly proud of their progress.

In November, we honored our veterans and collected food to provide Thanksgiving meals to 14 families. In December, we are focusing on collecting toys for Toys for Tots. The kindness shown by our entire community—staff, students, and families—is truly remarkable.

We wish everyone a joyful holiday season and look forward to everything 2026 will bring.

A NOTE FROM THE NURSES

All Kindergarten students must have a physical exam turned in by April 1, 2026. Please return all completed physical and dental examination forms for your students to the school for our records.

Please remember to pack your student a change of clothing for their backpack in case of accidents or playground incidents. The

cold weather has arrived! Please send students in with gloves, hats, and coats for recess.

Flu and cold season is here! If your student has a fever, is vomiting, or has diarrhea they must stay home 24 hours after symptoms have resolved without the use of any medication. Please call the nursing office with any questions.

The nursing office staff wishes you and your family a safe and healthy Holiday season!

COUNSELORS' CORNER

In the SEL Lab we are finishing up our Growth Mindset & Goal Setting Unit. We will then be moving into our unit on Emotion Management. In this unit, students will learn how to identify emotions in themselves and others and apply strategies to manage their emotions.
