Annual Public Meeting

These annual public meetings are to be held in the fall of each school year.

CACR Requirement: For each school year, the school board must publish a report in the local newspaper, by mail or by electronic means on the district website.

Provide the direct website link to the district's CACR annual report. If a link is not available, describe how the district disseminates the report to families and community partners:

Survey(s) of Staff, Students, and Families

CACR Requirement: Each school district must periodically survey affected constituencies, in their home language(s) where appropriate and practicable, about their connection to and level of satisfaction with school.

Summarize the results of your most recent survey(s) of staff, students, and families. Foley Public Schools distributed surveys to the school community to engage parents, students, staff, and public to determine leadership qualities that should be sought in a new Superintendent. The students and staff were also surveyed to determine qualities of a new Intermediate Principal. Both of these surveys took place in the first half of 2025. Key results in these surveys included hiring a Superintendent with experience and that would provide increased communication. The Principal survey called for a leader with high energy and an excellent communicator. Foley Public Schools has not completed a staff, student, and family survey to survey satisfaction with the District in recent years.
