Meeting Apr 15, 2021 - Programs & Services

Category 1. VIRTUAL MEETING NOTICE

Type Information, Procedural

Subject **B. This meeting will be conducted as a virtual meeting due to the active COVID-19 public health emergency situation, meaning that multiple Board members may be participating in the meeting from remote locations through the use of communications technology and/or that public access to the meeting may be arranged through the use of technology. The District discourages the public and/or media from attending the meeting in person at its noticed location due to concerns with health and safety and encourages use of the alternative method(s) of access that the District is providing.**

Meeting Apr 15, 2021 - Programs & Services

Category 1. VIRTUAL MEETING NOTICE

Type Information, Procedural

Subject **C. Any special needs or any requests for accommodations related to accessing the meeting should be sent to Donna Goetzke, at goetzkedonna@aasd.k12.wi.us or (920) 832-6142, at least 24-hours in advance of the meeting. This would include any person for whom it would be burdensome or infeasible to use the primary method(s) of remote access established by the District.**

Meeting Apr 15, 2021 - Programs & Services

Category 1. VIRTUAL MEETING NOTICE

Type Information

Subject **D. With respect to the gravity of the current public health emergency, we have made every effort to streamline this meeting as much as possible while still focusing on items that are essential to the current and future operations of the District. As such, there will be no opportunity for public comments this morning. If you have comments you wish to share with the Committee, you are welcome to submit them in writing. Comments can be submitted to Donna Goetzke at goetzkedonna@asd.k12.wi.us (preferred) or mailed to 131 E. Washington Street, Suite 1A, Appleton, WI, 54911. All written comments submitted will be distributed to all Programs & Services committee members. We appreciate your understanding during this unprecedented time.**

ITEM FOR CONSIDERATION

Topic: AASD Summer School Courses for 2021

**Background
Information:**

Each year the AASD Board of Education approves the course offerings for summer school. We will be offering academic support, credit recovery, enrichment and credit classes in 2021. As a part of the Fox Valley Summer School Consortium, students in any of the member school districts may attend summer school in any member school district. The 66.03 financial agreements for the Fox Valley Summer School Consortium were already approved by the AASD Board of Education.

Key points for the 2021 summer school program:

- A. Initial online registration using Infinite Campus for elementary and middle school students began April 5th, 2021. High school registration also began on April 5th through the guidance counselors.
- B. All of the elementary school programs are very similar except Columbus, which offers different structures for summer school.
- C. The basic dates are June 14 - July 9, (no school July 5th) for elementary and middle school students. Credit recovery classes for high school students will run from June 14th- July 2nd at East High School, as well as throughout the summer at each High School utilizing the Edgenuity platform. There are also various Camps scheduled throughout the summer, including Band, Engineering, A-Tech Camp, and Music Lessons, and Hmong Culture classes.
- D. Boys and Girls Club of the Fox Valley will have programs at Badger Elementary, Columbus Elementary, Foster Elementary Charter, Highlands Elementary, and Kaleidoscope Academy. The YMCA will offer programs at Janet Berry Elementary, Ferber Elementary, Horizons Elementary, Jefferson Elementary, Johnston Elementary, Lincoln Elementary, and McKinley Elementary. The summer school aftercare information is available on the AASD website.
- E. A procedure is in place to match high school students wishing to volunteer, with summer school teachers that would like assistance in their classrooms.
- F. The attendance expectations for high school credit recovery have been updated in order to provide proactive supports to students in a more culturally responsive manner.

Fiscal Note: The AASD receives FTE aid based on the Department of Public Instruction's established summer school aid formula. The aid received offsets the annual summer school program budget. Summer school teacher payroll is handled through CESA 6. Billable expenses for students attending any consortium school district have been established by the Fox Valley Summer School Consortium. The basic rates are \$23.70/hour of instruction for teachers, and \$12.60 or \$10.90 per hour for paraprofessionals.

**Administrative
Recommendation:** Approve as submitted.

**Instructional
Impact:** Summer school class offerings provide additional learning opportunities for students of all grade levels to succeed in the classroom during the regular school year. AASD curriculum is followed and enriched in the course offerings.

ITEM OF INFORMATION

Topic: i-Ready Winter Diagnostic Update (5K-8)

**Background
Information:**

Since the start of the 2020-21 school year, the i-Ready Diagnostic has been used to progress monitor academic outcomes in reading and mathematics for grades 5K-8 in the Appleton Area School District (AASD). As part of the district's Continuous School Improvement Process (CSIP), the computer-based adaptive assessment is administered during fall, winter, and spring windows in order to review student achievement as well as to respond to identified student needs. The purpose of the winter diagnostic update is to communicate progress in reading and mathematics for elementary and middle-level students in the AASD since the time of the fall diagnostic window.

**Instructional
Impact:**

Through the progress monitoring of academic progress in reading and mathematics, students will be able to receive personalized learning support and teachers will have the opportunity to make adjustments in instruction based on identified student needs.

**Contact
Person:**

Steve Harrison, Assistant Superintendent – Assessment, Curriculum & Instruction, 832-6157, harrisonstepha@aad.k12.wi.us
