Dear Parent/Guardian:

I hope the school year is off to a successful start for you and your child. I am writing this letter to let you know that **Tuckaseegee Elementary** has been designated as an Additional Targeted Support & Improvement (ATSI) school by the North Carolina State Board of Education. Per ESSA Section 1111(d)(2)(C), schools are identified as ATSI schools in North Carolina because one or more of the following subgroups received a subgroup performance grade score at or below the highest identified CSI-LP school's All Students group during the identification year; and is on the TSI-CU list for the subgroup(s) for the previous year. Subgroup performance scores are provided for the following subgroups: (1) Students with Disabilities, (2) Economically Disadvantaged, (3) Black, (4) White, (5) Hispanic, (6) Asian-Pacific Islander, (7) Multi-racial, and (8) English Learners. This letter is to notify our parents and guardians of **Tuckaseegee Elementary's** intentions to improve educational outcomes for underperforming student subgroups and close achievement gaps for all students.

As an ATSI school, **Tuckaseegee Elementary** is required to develop an Additional Targeted Support and Improvement (ATSI) plan that specifically addresses how the school will improve outcomes for underperforming subgroups. The plan will also include strategies that our district or charter will employ to support **Tuckaseegee Elementary's** improvement efforts. The ATSI plan will address the following areas:

- Classroom Management
- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals for **Tuckaseegee Elementary** this year:

- ***By June 2026, Tuckaseegee will exceed expected growth by ensuring that at least 80% of students meet or exceed growth targets through consistent data-driven instruction, targeted interventions and enrichment support.***

Here are some strategies that we will be implementing to improve student outcomes:

- ***Data-driven small groups and independent practice are data driven***
- ***Effective use of amplifications and scaffolds***
- ***Consistent academic monitoring with specific feedback***
- ***Incorporate TD strategies and higher order thinking***

We are committed to improving student performance. It is important to remember that just as no single score or grade tells the whole story of a student, neither does it tell you everything about a school's performance or the opportunities that our school provides. The intent of receiving these designations is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction. We're excited about this school year and are working to make it a success for your child. Here are a few highlights about our school.

- **Tuckaseegee is a B School.**
- **Tuckaseegee was #1 in the district in Math and #2 in Science, and #4 overall in all CMS schools.**
- **Tuckaseegee is an LI/TD Magnet School of Distinction.**
