

What is a Family - School Compact?

A Family-School Compact for Achievement is a voluntary agreement co-developed by parents, students and teachers. It describes what actions parents, school staff and students will take to share mutual responsibility in Moving Forward for Student Success.

Effective Compacts:

Begin with standards

Focus on student learning

Respond to school data

Define responsibilities

Believe in it and use it

Carrington School Vision:

Carrington School is a student-centered learning community committed to producing high levels of academic achievement and preparing students to be successful in a culturally diverse world.

Carrington School Mission:

All Carrington students will be provided with a safe and positive environment that allows them to be engaged in a relevant, rigorous curriculum. Staff and families will collaborate to educate and encourage each student to become a contributing member of the community.

Carrington is committed to communicating regularly about your child; and providing a positive, safe learning environment for all students.
