

What is a Family - School Compact?

A Family-School Compact for Achievement is a voluntary agreement co-developed by parents, students and teachers. It describes what actions parents, school staff and students will take to share mutual responsibility in Moving Forward for Student Success.

Effective Compacts:

Begin with standards

Focus on student learning

Respond to school data

Define responsibilities

Believe in it and use it

Carrington School Vision:

Carrington School is a student-centered learning community committed to producing high levels of academic achievement and preparing students to be successful in a culturally diverse world.

Carrington School Mission:

All Carrington students will be provided with a safe and positive environment that allows them to be engaged in a relevant, rigorous curriculum. Staff and families will collaborate to educate and encourage each student to become a contributing member of the community.

Carrington is committed to communicating regularly about your child; and providing a positive, safe learning environment for all students.

Attendance Counts! Be Here Every Day, All Day!

EDUCATION IS A SHARED RESPONSIBILITY

Literacy Expectations

Students can read closely and analytically to comprehend a range of increasingly complex literary and informational texts.

Students can produce effective and well-grounded writing for a range of purposes and audiences.

Students can employ effective speaking and listening skills for a range of purposes and audiences.

Students can engage in research/inquiry to investigate topics, and analyze, integrate and present information.

Numeracy Expectations

Students will develop understanding of and applying proportional relationships.

Students will develop understanding of operations with rational numbers and working with expressions and linear equations.

Students will solve problems involving scale drawings and informal geometric constructions, and working with two- and three-dimensional shapes to solve problems involving area, surface area, and volume.

Students will make inferences about populations based on samples.

In the 7th Grade Classroom

The 7th grade team will work with students and their families to . . .

Meet and communicate with parents throughout the year.

Provide reading level appropriate books for students to read on their own.

Monitor student progress with updates to parents through phone calls, PowerSchool and Parent Square

Make sure each student gets the help he/she needs as soon as it's needed.

Use Study Sync and Google Classroom to provide literacy assignments

Use a variety of teaching methods in reading to ensure we can reach students of all levels.

Make sure students understand assignments, their purpose and what they will learn from them.

Students at School and at Home

Ask for help from my teacher and family if I am having trouble doing my work.

Write down my assignments, do my homework and turn it in on time.

Read on my own and/or with my family for at least 20 minutes every day.

Arrive at school on time, with chromebook & other materials.

At Home

Carrington School parents join staff to develop ideas about how families can support students' reading ability and comprehension.

Make sure my child reads every day

Participate in workshops that are offered by the school.

Meet and communicate with my child's teacher throughout the year.

Check and maintain student communication folders on a daily basis.

Provide my child a homework area and check their work when finished.

Do you have questions about your child's progress?

Contact your child's teacher by phone, a note or Parent Square.

Check PowerSchool for Progress Updates Frequently
