Highlights of the Week

Mrs. Blodgett- K Highlight

On Tuesday, Kindergarten celebrated the 50th day of school—50's style! Students learned about the 1950s and even practiced classic dance moves like the twist and the hand jive. During ELA and Math Centers, they participated in fun, themed activities to keep the celebration going. One of the biggest highlights of the day was enjoying root beer floats which we turned into an engaging math and science lesson. Students identified the parts of a root beer float as a liquid, a solid, and a gas, and then created a bar graph to show how many classmates liked root beer floats. It was a wonderful day filled with learning, laughter, and a whole lot of 50's fun!

Cross Age Buddy Activities

This morning our 4PK students partnered with 1st graders and K students partnered with 2nd graders for our first cross age buddy activity. Buddies shared their favorite color, sport, and food as well as what they want to be when they grow up.

The Village

Connecting families, sharing resources,
and celebrating every milestone!

What is The Village?

They say it takes a village, and we've got the ultimate village right here in Liv Co! This family engagement group is meant to serve as the go-to hub for families with kiddos from ages 0 to 21. There are monthly presentations sharing info on all of the resources available in our county for little ones facing challenges—be it suspected or diagnosed delays, medical conditions, behavioral or emotional challenges, or developmental disabilities. This group is also a great way for families to find in-person support, access resources, or just connect with others.

Join us on the 1st Monday of every month from
11am-12pm at the Geneseo Goodwill Community Center
Light refreshments will be provided!

This group is hosted by the Livingston County Children and Youth with
Special Health Care Needs (CYSHCN) program and intended for
CYSHCN families but open to all.

Contact 585-243-7299 for
