Application to Conduct Research in the Paramount Unified School District

Attach the documents requested in Part II and send them to (use this page as a cover):

Margarita F. Rodriguez,
mfrodriguez@paramount.k12.ca.us
Director of Research, Assessment, & Data
Paramount Unified School District

Part II: Study Information

Please provide the following information in writing

1. Title of the study
2. Description of the study's purpose and objectives.
3. Brief description of the population that will be surveyed or studied (Include details on how the population will be selected, how the survey will be shared).
4. Brief and concise explanation of tasks or activities the subjects in the study would be asked to complete.
5. Description of any data requested from Paramount Unified School District (type of data, years requested, etc.)
6. Brief description of how this information will be helpful to the educational community and to the Paramount Unified School District.

Provide a copy of all instruments that will be used in the study, including:

- interview questions
- survey questions
- cover letter of explanation to subjects
- method for obtaining parent permission (if needed)

I certify that this completed research application is an accurate and complete statement of the nature of my study.
