QUALIFYING LIFE EVENT

Enroll within 30 days of a qualifying life event.

Contact Human Resources

Qualifying life events allow you to make a mid-year benefit change

Examples include:

- Marriage or divorce
- Birth or adoption of child
- Loss of coverage
- Turning age 65
- Spouse's open enrollment
- Change in work status (part-time to full-time)

QUALIFYING LIFE EVENTS

You can only make mid-year changes if you have a qualifying life event. See some examples on the previous page.

Here's what to do if you have a qualifying life event.

1. GATHER YOUR BENEFIT INFORMATION

Gather the benefit information that both you and your spouse are eligible for.

Give yourself time to make your decision, as **you must request your change within 30 days of the event.**

2. CONSIDER YOUR OPTIONS

Consider the following to compare your options for coverage.

- What level of coverage does my family need?
- Does it benefit my family financially for my spouse and I to elect our own coverage through our own employers?
- Or is it less expensive for my entire family to be covered by HSBT's plan?
- To evaluate each option, consider premiums, deductibles, and out-of-pocket maximum costs.

3. CONTACT HR

If you've decided to elect HSBT's coverage at any level, contact Human Resources for assistance.

We'll help you through the election process and answer any questions you and your family may have about your options.

HEALTH BENEFITS

CHOOSING YOUR MEDICAL BENEFITS

ANTHEM MEDICAL PLAN OPTIONS

Everyone's healthcare needs are different. That's why HSBT offers you choice in your medical, dental and vision benefits.

You may choose from four medical plans through Anthem. All of your plan options include pharmacy coverage and allow you to visit any doctor or hospital of your choice (just keep in mind you'll pay a lot less in-network).

PPO PLANS

PPO Plans I/II and III are traditional Preferred Provider Organization (PPO) plans. These two plans offer some services, such as doctor office visits and prescription drugs, for a flat copay.

HDHP/HSA PLANS

HDHP/HSA Plans IV and V are qualified High-Deductible Health Plans (HDHP) that can be combined with a Health Savings Account (HSA) to give you more control over your healthcare spending.

Both HDHP plans have a lower cost per paycheck, so you can put these savings in a tax-advantaged HSA to pay for the care you need.

HSBT HEALTH & WELLNESS CENTERS

If you enroll in one of the Anthem medical plans, you can access FREE care through the three HSBT Health & Wellness Centers!

HEALTH SAVINGS ACCOUNT

By enrolling in the HDHP/HSA Plan IV or HDHP/HSA Plan V, you get access to a Health Savings Account, which you can use for qualified healthcare expenses.

ELIGIBILITY

To contribute to an HSA, you must:

- ✓ **Be enrolled** in an HSA-eligible medical plan
- ✗ **Not be enrolled** in Medicare, TRICARE, Medicaid or a non-HSA eligible plan*
- ✗ **Not be eligible** to be claimed as a dependent on someone else's tax return

**To avoid penalties, stop your HSA contributions six months before enrolling in Medicare Part A. Consult your tax advisor for guidance.*

HSA CONTRIBUTIONS

You can contribute up to the IRS annual maximum, which is based on your age and enrollment in the HSA medical plan.

2026 IRS Contribution Limits	UNDER AGE 55	AGE 55+

THREE REASONS TO LOVE YOUR HSA

1. TRIPLE TAX SAVINGS¹

- Tax deductions when you contribute
- Tax-free withdrawals to pay for qualified expenses
- Tax-free earnings

2. FLEXIBILITY

You can use the money in your HSA for eligible expenses or save it and let it grow. Your savings roll over each year.

3. USE IT FOR RETIREMENT

After age 65, you can use your HSA funds as retirement income without penalty.²

¹State taxes still apply in some states.

²Normal income tax still applies.

PREVENTIVE CARE

Your medical plan covers in-network preventive care services at no cost to you! Preventive care can help keep you healthy and identify minor issues early, when they're easier—and less costly—to treat.

✔ WHAT IS PREVENTIVE CARE?

Preventive care includes a range of services to help keep you healthy. While regular (diagnostic) medical care focuses on treating illness, preventive care aims to keep you from getting sick in the first place.

✘ WHAT IS NOT PREVENTIVE CARE?

If you see a doctor because you have symptoms or have been diagnosed with an illness, the services you receive are not preventive.

Your medical plan still provides coverage for these services, but they are not covered at 100%.

Your medical plan may charge a fee if you receive services from an out-of-network provider or if the preventive service is not the primary purpose of your office visit.

TIPS TO SAVE MONEY

✓ **SAVE THE EMERGENCY ROOM FOR TRUE EMERGENCIES**

Only visit the emergency room if you have a life- or limb-threatening emergency. If you need care when your doctor's office is closed, check your area for an urgent care location or use virtual care instead.

✓ **USE IN-NETWORK PROVIDERS**

Your medical, dental and vision costs increase greatly when you visit a provider who is not in your plan's network. Always confirm your provider is in your network, especially when being referred to another provider or facility for services.

✓ **GET YOUR ANNUAL CHECKUP**

You and your dependents should visit the doctor annually for health screenings and tests. Your plan covers preventive services at 100%.

✓ **CHOOSE GENERIC PRESCRIPTIONS**

Ask your doctor or pharmacist to give you generic prescriptions instead of brand-name if possible. Generic drugs are usually cheaper and can be just as effective.

✓ **SHOP AROUND TO FIND THE BEST PRESCRIPTION PRICES**

It can pay to be a savvy shopper. Look up your prescription on your Anthem account to find the lowest cost pharmacy.

Good news! CarelonRx automatically applies discount card pricing to your generic prescriptions. The amounts you pay will be automatically credited to your deductible and out-of-pocket maximum where appropriate. [Learn more on page 13.](#)

✓ **TAKE ADVANTAGE OF THE MAIL-ORDER PHARMACY PROGRAM**

Save time and money by using the mail-order prescription drug program for your maintenance prescriptions. Log in to your Anthem account to contact CarelonRx for more details.

BENEFIT GLOSSARY

BALANCE BILLING

When you are billed for the difference between the provider's actual charge and the amount reimbursed under the medical, dental or vision plan. This occurs when you go outside of the preferred provider network. Balance billing does not apply toward your out-of-pocket maximum.

COINSURANCE

The percentage of the cost you pay for covered services after you meet your deductible.

COPAYMENTS (ALSO CALLED COPAYS)

A flat fee you pay for a covered healthcare service. You will typically pay your copay at the time of service, and then the plan will pay any remaining amount.

DEDUCTIBLE

The amount you are required to pay each year before certain benefits are paid for by the plan. Once you meet the deductible, expenses are covered by the plan based on the coinsurance. The deductible resets on Jan. 1 each year.

EXPLANATION OF BENEFITS (EOB)

A packet, usually mailed to you, that explains how your claim was processed by the insurance company. The EOB details what portion of the claim was paid by the insurance company and what portion is your responsibility.

NETWORK

The doctors, hospitals, and other healthcare providers your insurance company has contracted with to provide services at discounted rates. You will pay less when you use in-network providers. Some plans will not cover the care you get outside of the network.

OUT-OF-POCKET MAXIMUM (OOPM)

The most you pay in a calendar year for covered services. If you reach the OOPM, the plan pays 100% of covered expenses for the rest of the plan year.

PLAN YEAR

The plan year refers to Jan. 1 through Dec. 31.

USUAL, CUSTOMARY, AND REASONABLE (UCR) CHARGES

Healthcare charges determined by your health insurance provider and based on the range of fees charged by doctors with comparable training and experience for the same or similar service in your area. When you receive in-network care, UCR charges do not apply. You are responsible for amounts over UCR for out-of-network care.
