School Goals

Farmington View lies at the southwestern edge of Hillsboro amongst the beautiful pastoral landscapes of the area. We foster an environment of excellence within a diverse culture where everyone is included, safe, and able to succeed. We prioritize reading, writing, math, and STEAM integration, social-emotional learning, and family engagement. We continue to improve on our instructional strategies and provide resources and supports so all students can access their learning.

State Goals

The Oregon Department of Education is partnering with school districts and communities statewide to reach a 90% on-time graduation rate by 2027. Anchored in the pillars of Academic Excellence, Belonging & Wellness, and Accountability, ODE prioritizes evidence-based strategies that strengthen early literacy, improve attendance, and deepen student engagement. We are committed to eliminating opportunity and achievement gaps for historically underserved students. By investing in culturally responsive practices, cultivating inclusive school environments, and fostering a culture of continuous improvement, we can help ensure every student thrives.

Safe & Welcoming Environment

Farmington View Elementary has a compact physical layout and a small staff, which enables it to feel like a "home away from home" very quickly. We prioritize the safety of our school community regardless of race, religion, immigration status, or any other basis. We believe students learn best when they feel safe and valued. Farmington View's staff are skilled and dedicated to fostering an environment where students feel safe and are able to learn.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

To ensure students are safe, we utilize a three-tiered approach to maximize positive behavior. Tier 1: School-wide lessons that teach expectations and procedures. These are taught during Morning Meeting each school day and cover everything from school safety to a variety of social behaviors that help students practice good citizenship and demonstrate social-emotional learning skills. Students' efforts are recognized with tickets that allow them to access our student store. Tier 2: Targeted social skills instruction and/or counseling for students who need additional behavioral support. Tier 3: Intensive supports tailored to the student that are highly structured and may involve outside health professionals.

EXTRACURRICULAR ACTIVITIES

Farmington View boasts strong extracurricular offerings covering a variety of interests due to several factors: 1. Strong parental involvement; 2. Dedicated STEAM Coach for after school programming; and 3. On-site after-school childcare program. Clubs and programming get refreshed each year and are generally announced in September.

PARENT ENGAGEMENT

Parents can be involved in a variety of ways at Farmington View Elementary School: Fall Parent/Teacher Family Connection, Booster Club (meets monthly), Farmington View Parents for Academic Excellence (meets monthly), School Day Volunteer Opportunities, After-School Club Opportunities, and 1st Quarter Parent/Teacher Conferences. Additionally, families can get involved in our parent-led garden groups and art literacy events. We also host six evening events each school year for our families.

COMMUNITY ENGAGEMENT

Farmington View enjoys a rich selection of community resources and support. Since our STEAM programming is often environmentally based, we have partnerships with local organizations that support environmental science and other STEAM opportunities. We have a dedicated STEAM coordinator who works to create these partnerships. Examples include Tualatin Soil and Water Conservation, local farms to support our garden, and Portland Metro STEM Partnership. Parents and families receive updates from the principal through the weekly Bobcat Bulletin in English and Spanish. The school also puts out reminders and highlights via social media and our district website.
