Student Trainee of the Month

Mikaila Guilstorf is the May student trainee of the month.

Mikaila has done a tremendous job working at the Northville Board of Education this entire school year. She's had great attendance at work and remained focused on her responsibilities there. She's a valued member of the team!

Seniors Work Their Last Shifts

The senior student trainees were very dedicated this school year. **Nate Ruffing's** favorite part about working at the high school cafeteria was that so many people purchased salads from the salad station he worked at. **Jamie Visocchi's** favorite part about working at We Rock the Spectrum was visiting the gym after school to use the equipment. **Tiffany Stillwagon's** favorite part about working at the Sheraton hotel was getting to say hello to the other workers.

Practice Makes Perfect

The student trainee at Papa John's in Northville assembled over 50 pizza boxes during one of his shifts this month. This was the most boxes he's folded this school year, demonstrating that practicing a skill improves it. Papa Johns was thrilled with his work!

ENJOY SUMMER!

There's been interest from new businesses in offering Cooke student trainees new opportunities for the 2025-2026 school year.

This was a great year for the Cooke work experiences because of the hard work and dedication from all the students and staff who participated in the program. Thank you!

Cooke School Motto

I CAN Communicate I CAN Learn I CAN Work
