### School Environment

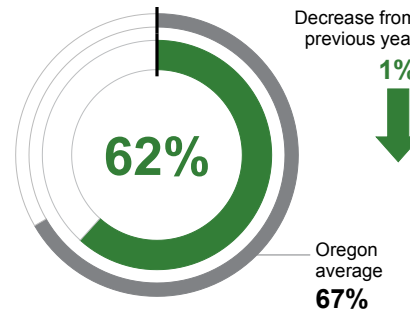

#### CLASS SIZE

Median size of classes in core subjects.

#### REGULAR ATTENDERS

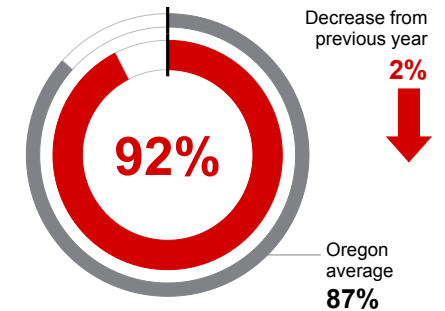

Students who attended more than 90% of their enrolled school days.

### Academic Progress

#### ON-TRACK TO GRADUATE

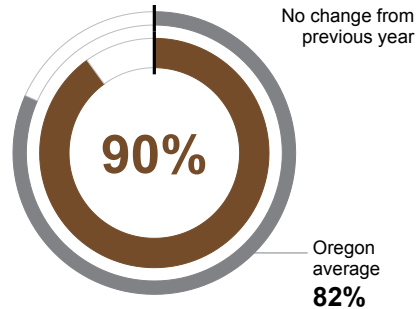

Students earning one-quarter of graduation credits in their 9th grade year.

### Academic Success

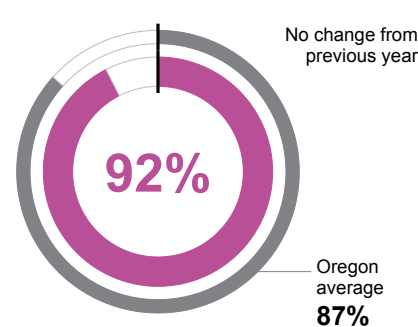

#### ON-TIME GRADUATION

Students earning a diploma within four years. Cohort includes students who were first-time ninth graders in 2020-21 graduating in 2023-24.

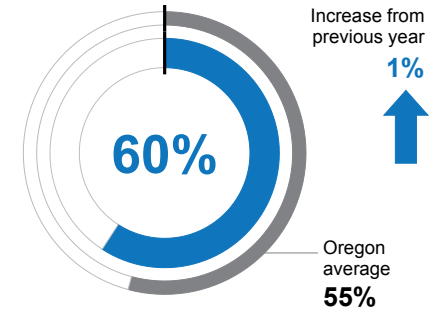

#### FIVE-YEAR COMPLETION

Students earning a high school diploma or GED within five years. Cohort includes students who were first-time ninth graders in 2019-20 finishing in 2023-24.

#### COLLEGE GOING

Students enrolling in a two or four year college within 12 months of completing high school in 2022-23. Data from the National Student Clearinghouse.

### School Goals

At Glencoe, we believe that using academic language and maintaining high standards are key to encouraging meaningful discussions among students and improving how we tailor our teaching. We make sure to highlight the goals of our lessons by displaying Learning Targets, Essential Questions, and Language Objectives for everyone to see. We also focus on creating strong connections by ensuring that each student has at least one adult on campus who understands them well and can support their needs. This helps students succeed both academically and socially.

### State Goals

The Oregon Department of Education is partnering with school districts and communities statewide to reach a 90% on-time graduation rate by 2027. Anchored in the pillars of Academic Excellence, Belonging & Wellness, and Accountability, ODE prioritizes evidence-based strategies that strengthen early literacy, improve attendance, and deepen student engagement. We are committed to eliminating opportunity and achievement gaps for historically underserved students. By investing in culturally responsive practices, cultivating inclusive school environments, and fostering a culture of continuous improvement, we can help ensure every student thrives.

### Safe & Welcoming Environment

At Glencoe, we prioritize fostering a positive classroom climate and culture, alongside ensuring the safety and well-being of all students and staff members. Our diverse array of clubs offers students valuable opportunities to cultivate meaningful relationships and foster a strong sense of belonging within the school community. We proudly have bilingual staff available in our main office, allowing us to effectively support families in person and through telephone communication.

### About Our School

#### ADVANCED COURSEWORK

GHS provides both Advanced Placement and dual-credit classes. The AP offerings include Studio Art, Environmental Science, Human Geography, Government, US History, Statistics, and Calculus AB to name a few. This year, we were pleased to introduce AP Music Theory and AP Spanish Language. Our dual-credit courses include Tech Theater, AP Calculus BC, Pre-Calculus, and Economics. In the 2024-25 year, our Dual Language program continued offering Language Arts in Spanish and added Dual Language Science. Looking ahead to the 2025-26 school year, we will add a Sound Engineering course that will familiarize students with cutting-edge technology. We will also add Dual Credit Economics, Chemistry, Language Arts, Personal Finance, and Business Courses.

#### CAREER & TECHNICAL EDUCATION

GHS has a strong and extensive CTE program and continues to develop opportunities for students in the areas of the Arts, Information, and Communications (Fine Arts, Graphic Arts, Music, and Theater); Business Management (Business and Marketing); Health Sciences; Early Childhood Education; Engineering; Manufacturing and Design; and Construction. In 2024-25, we extended our Health Sciences program to offer Med Tech assistant, which culminated in 100% of participating students passing the CNA test and entering the workforce upon graduation.

#### EXTRACURRICULAR ACTIVITIES

GHS has a strong tradition in athletics, clubs, and the arts. We offer 19 sanctioned OSAA sports. This past year we added boys' volleyball and flag football. We also offer clubs such as lacrosse, bowling, and equestrian. More than sixty percent of our students participate in extracurricular clubs and sports. We also partner closely with the Hillsboro Chamber of Commerce to provide opportunities for students to job shadow and volunteer throughout Washington County. Several of our clubs also volunteer at our feeder schools, providing an opportunity for our HS students to create connections with our Rising Tide.

#### PARENT & COMMUNITY ENGAGEMENT

Our work during the 2024-25 school year was around developing opportunities for parents to be involved. Many different activities took place such as FAFSA and ORSAA evenings in both English and Spanish. We send weekly calendars and newsletters with information on upcoming events in which parents and community members can participate. Our band and athletic booster clubs are highly successful. We will continue to find ways for all parents to be involved in our school. This year, we will continue to work with ZELLO and add ParentSquare as a new tool to communicate with families.
